Alison Paul S. Levy 2010-07-21 The ghost of six-year-old Alison Marie Hardy has wandered the property of southern New Mexico's wealthiest pecan farming family for decades, but it is her frequent appearances in the spooky tree tunnel near the village of Pequeno that have made the residents fearful of driving on Highway 28 at night. Little Allison has but one mission to summon the help of terrified bystanders to help her find her father. When she steps in front of Big Joe Silva's pickup truck on a skinny stretch of highway in the dark of night, she sets into motion a chain of events that soon reveals a town's long-held secrets and raises questions as to why the only two people old enough to know the truth about Alison are remaining silent. But Alison refuses to give up as she continues to tease horrified observers and torment the pecan farming family. The reconciliation of Alison's soul depends on the truth that she and her supporters so desperately seek—the same truth that others are so anxious to keep hidden. But before her spirit can be freed and the people of Pequeno can sleep peacefully, Alison must confront the man who betrayed her seventy years earlier.

Industrial/Organizational Psychology Paul Levy 2016-08-01 Written by a leading researcher in one of the nation's top I/O programs, Paul Levy's text has long been acclaimed for its concise, research-based approach, personable writing style. The new edition again offers a thoroughly contemporary perspective on the field, with the latest research and new ways for students to explore what's happening in I/O psychology today.

Wildfire Policy Karen Bradshaw 2012 During the five decades since its origin, law and economics has provided an influential framework for addressing a wide array of areas of law ranging from judicial behaviour to contracts. This book will reflect the first-ever forum for law and economics scholars to apply the analysis and methodologies of their field to the subject of wildfire. The only modern legal work on wildfire, the book brings together leading scholars to consider questions such as: How can public policy address the effects of climate change on wildfire, and wildfire on climate change? Are the environmental and fiscal costs of ex ante prevention measures justified? What are the appropriate levels of prevention and suppression responsibility borne by private, state, and federal actors? Can tort liability provide a solution for realigning the grossly distorted incentives that currently exist for private landowners and government firefighters? Do the existing incentives in wildfire institutions provide incentives for efficient private and collective action and how might they be improved?

In a Strange Room Damon Galgut 2010-10-13 From the Man Booker Prize-winner of *The Promise*: "This tale of ill-fated journeys through Greece, Africa and India shows" the author of *The Quarry* "at a superb new high" (*The Guardian*). In this newest novel from South African writer Damon Galgut, a young loner travels across eastern Africa, Europe, and India. Unsure what he's after, and reluctant to return home, he follows the paths of travelers he meets along the way. Each new encounter—with an enigmatic stranger, a group of careless backpackers, and a woman on the verge—leads him closer to confronting his own identity. Traversing the quiet of wilderness and the frenzy of border crossings, every new direction is tinged with surmounting mourning, as he is propelled toward a tragic conclusion. Shortlisted for the 2010 Man Booker Prize, *In a Strange Room* is a hauntingly beautiful evocation of life on the road. It was first published in the *Paris Review* in three parts—"The Follower," "The Lover," and "The Guardian"—one of which was selected for a National Magazine Award and another for the O. Henry Prize.

Great Tours! Barbara Abramoff Levy 2002-02-07 Creating tours that are interesting and educational for visitors (and guides!) is a challenge every historic site faces. Great Tours! helps you focus clearly on the material culture and significance of your site and then shows you how to use that focus to train and energize your guides. You will be able to move your tours to a fresh new level that is engaging and educational for visitors of all ages and abilities. Readings and workshop activities frame the process throughout and allow you to develop what is most appropriate for your site, while working to strike a realistic balance between ideals and every day reality. Great Tours! offers a unique combination of theoretical guidance and practical activities, supplemented by reproducible forms and a bibliography and index, that make it an invaluable resource for anyone involved with planning tours and training guides. Published in cooperation with the National Trust for Historic Preservation. Visit their web page.

A Prairie Home Companion Garrison Keillor 2006-05-18 The screenplay of iconic radio host Garrison Keillor's Robert Altman-directed major motion picture, *A Prairie Home Companion*, starring Meryl Streep and Lily Tomlin. The day of reckoning has come to the Fitzgerald Theater in St. Paul, home of *A Prairie Home Companion*. The show is closing, the theater is going dark. Station WLT has been sold to a broadcast conglomerate in Texas. The wrecking ball is poised to swing as the regulars—the Johnson Girls, Yolanda and Rhonda, and the singing cowboys, Dusty and Lefty, crooner Chuck Akers, and announcer Garrison Keillor—arrive for the last broadcast in a state of disbelief. But when the *Dangerous Woman* appears with her Botticellian hair and dazzling white trench coat, the final curtain catches them all by surprise. • Features a foreword by director Robert Altman and an introduction by Garrison Keillor • Contains an eight-page insert of photos from the movie set

Unnatural Selection Tim Lebbon 2006-04-30 Hellboy, a bloodred, cloven-hoofed demon raised by the United States government, is a top field agent for the Bureau for Paranormal Research and Defense. He

questions the unknown -- then beats it into submission. A dragon is seen perching on the statue of Christ the Redeemer overlooking Rio de Janeiro . . . A werewolf stalks the streets of Baltimore . . . A griffin slaughters a herd of horses in Madrid . . . Weird sightings of cryptozoological and mythological creatures abound around the globe. Sometimes the creatures simply appear and then vanish again, content merely to put in an appearance. Other times they make themselves known to entire cities, and leave their mark. Damaged buildings. Scars on the landscape. The occasional death. Then suddenly, the death toll escalates. One by one Hellboy and his friends at the BPRD are dispatched to avert disaster. Hellboy encounters a dragon in Brazil. Abe Sapien tackles a giant alligator in Venice. Liz Sherman faces off against a phoenix in the Mediterranean. But in dawning horror they realize it's all a distraction -- heralding nothing so much as an event of apocalyptic proportions . . .

Meredith Blackburn 1999 A title, subject, author, and first line index to poetry in collections for children and young people, with a list of books and a directory of publishers.

Meet Me in the Bathroom Lizzy Goodman 2017-05-23 Named a Best Book of 2017 by NPR and GQ Joining the ranks of the classics *Please Kill Me*, *Our Band Could Be Your Life*, and *Can't Stop Won't Stop*, an intriguing oral history of the post-9/11 decline of the old-guard music industry and rebirth of the New York rock scene, led by a group of iconoclastic rock bands. In the second half of the twentieth-century New York was the source of new sounds, including the Greenwich Village folk scene, punk and new wave, and hip-hop. But as the end of the millennium neared, cutting-edge bands began emerging from Seattle, Austin, and London, pushing New York further from the epicenter. The behemoth music industry, too, found itself in free fall, under siege from technology. Then 9/11/2001 plunged the country into a state of uncertainty and war—and a dozen New York City bands that had been honing their sound and style in relative obscurity suddenly became symbols of glamour for a young, web-savvy, forward-looking generation in need of an anthem. *Meet Me in the Bathroom* charts the transformation of the New York music scene in the first decade of the 2000s, the bands behind it—including The Strokes, The Yeah Yeah Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend—and the cultural forces that shaped it, from the Internet to a booming real estate market that forced artists out of the Lower East Side to Williamsburg. Drawing on 200 original interviews with James Murphy, Julian Casablancas, Karen O, Ezra Koenig, and many others musicians, artists, journalists, bloggers, photographers, managers, music executives, groupies, models, movie stars, and DJs who lived through this explosive time, journalist Lizzy Goodman offers a fascinating portrait of a time and a place that gave birth to a new era in modern rock-and-roll.

Billboard 1956-09-08 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Drama Magazine Charles Hubbard Sergei 1928

Anaf Qatan the Perizzite Paul Levy 2016-06-20 This is the story of Kasheh Ben Emek. He was born a slave in Egypt, was educated and loved by the woman in whose home he served, and experienced the Hebrew Exodus. He married and became a father of four children before losing his wife at the hands of a hostile tribe. And later in life he chose to become the guardian and teacher for an awkward young Perizzite girl. This is the story of his life - one filled with the revelation that Love is greater than all of life's and tradition's expectations. Because in Kasheh's story, his greatest loves were for people that would never have been considered acceptable (An Egyptian taskmaster, a Non-Levite girl, and a young girl from a tribe - Perizzites - his own people would have never expected or approved for him to associate).

Children's Books and Their Creators Anita Silvey 1995 Unique in its coverage of contemporary American children's literature, this timely, single-volume reference covers the books our children are--or should be--reading now, from board books to young adult novels. Enriched with

dozens of color illustrations and the voices of authors and illustrators themselves, it is a cornucopia of delight. 23 color, 153 b&w illustrations.

Schubert's String Quartets Anne Hyland 2023-04-20 A fresh analytical and musicological exploration of Schubert's incorporation of lyric elements into sonata form by way of his string quartets.

Parrot and Olivier in America Peter Carey 2010-04-20 From the two-time Booker Prize-winning author: an irrepressible, audacious, trenchantly funny new novel set in the 19th century and inspired in part by the life of Alexis de Tocqueville. With dazzling exuberance and all the richness of characterization, story, and language that we have come to expect from this superlative writer, Peter Carey explores the birth of democracy, the limits of friendship and whether people really can remake themselves in a New World. The two men at the heart of the novel couldn't be any more different: Olivier is the son of French aristocrats who (barely) survived the French Revolution. Parrot is the motherless son of an itinerant English printer. But when young Parrot is separated from his father (after a stupendous conflagration at a house of forgery) he runs into the powerful embrace of a one-armed marquis who will be his conduit - like it or not - into a life as closely (mis)allied with Olivier's as if they were connected by blood. And when Olivier sets sail for America - ostensibly to make a study of the American penal system, but more precisely to save his neck from the latest guillotineurs - Parrot, unable to loosen the Marquis's grip, is there too: as spy, scribe, comptroller, protector, foe and foil. As the narrative unfurls, shifting between the perspectives of Olivier and Parrot, between their picaresque adventures apart and together, in love and politics, prisons and finance, homelands and brave new lands - a most unlikely friendship begins to take hold.

Small Island Andrea Levy 2010-04-01 Winner of the 2004 Orange Prize for Fiction A Picador Original Trade Paperback Hortense Joseph arrives in London from Jamaica in 1948 with her life in her suitcase, her heart broken, her resolve intact. Her husband, Gilbert Joseph, returns from the war expecting to be received as a hero, but finds his status as a black man in Britain to be second class. His white landlady, Queenie, raised as a farmer's daughter, befriends Gilbert, and later Hortense, with innocence and courage, until the unexpected arrival of her husband, Bernard, who returns from combat with issues of his own to resolve. Told in these four voices, *Small Island* is a courageous novel of tender emotion and sparkling wit, of crossings taken and passages lost, of shattering compassion and of reckless optimism in the face of insurmountable barriers---in short, an encapsulation of that most American of experiences: the immigrant's life.

Billboard 1997-07-19 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Off Broadway Musicals, 1910-2007 Dan Dietz 2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New

York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

The Musical Leader 1922

Billboard 1953-06-27 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Breaking the Age Code Becca Levy, PhD 2022-04-12 Yale professor and leading expert on the psychology of successful aging, Dr. Becca Levy, draws on her ground-breaking research to show how age beliefs can be improved so they benefit all aspects of the aging process, including the way genes operate and the extension of life expectancy by 7.5 years. The often-surprising results of Levy's science offer stunning revelations about the mind-body connection. She demonstrates that many health problems formerly considered to be entirely due to the aging process, such as memory loss, hearing decline, and cardiovascular events, are instead influenced by the negative age beliefs that dominate in the US and other ageist countries. It's time for all of us to rethink aging and Breaking the Age Code shows us how to do just that. Based on her innovative research, stories that range from pop culture to the corporate boardroom, and her own life, Levy shows how age beliefs shape all aspects of our lives. She also presents a variety of fascinating people who have benefited from positive age beliefs as well as an entire town that has flourished with these beliefs. Breaking the Age Code is a landmark work, presenting not only easy-to-follow techniques for improving age beliefs so they can contribute to successful aging, but also a blueprint to reduce structural ageism for lasting change and an age-just society.

Gates of Hell Paul Levy 2017-02-07 The true story of how some young boys from West Texas took the words of a Sunday church service to heart and formulated their own plan to attack the very home of Satan. The trials and errors of their quest, along with their recollections of early 1970's American history, music, movies and television shows are told in this story of their family's faith, love and resilience - and in some of the unforgettable meals they shared while growing up in El Paso, Texas.

A Strange Place for a Homecoming Paul S. Levy 2008-12-23 Upon attaining a degree in Earth System History from the University of Saurat, Rachel Elam, the school's star atol player, her fianc, and two friends receive a fully financed tour to study the old, disregarded planet called Earth. All of her life she has been enchanted by the planet, the origin of many life forms in her galaxy. She is excited to explore it now. Retired cop Sodedo Ronah, a true curmudgeon, runs the travel bureau and knows that Earth is not a place where the young graduate and her friends should visit. However, he is forced by sworn code to keep the true use of the planet a secret. Knowing that he is forced to allow a journey that will end in disaster, he and a colleague set out to help the young travelers. Upon their arrival, Rachel and her friends quickly discover that Earth is now being used by society as a prison for the most violent criminals in the populated planetary systems. With their survival at stake, Rachel must rely on her courage, intellectual resourcefulness, and her athletic prowess to escape the planet and save her friends and herself.
