Lucy Prebble Plays 1 Lucy
Prebble 2020-11-26 Lucy
Prebble is one of Britain's
foremost writers for the stage
and screen. This eagerly
anticipated play collection
brings together her landmark
plays for the first time,

showcasing her work from
2003 to 2019. Beginning with
her George Devine Award-
winning play The Sugar
Syndrome it continues through
her explosive look at the
biggest financial scandal in
history, concluding with her
pointed dramatization of the

one of the most shocking news stories of the 2010s. The Sugar Syndrome (2003) Dani is on a mission. She's just 17, hates her parents, skives college and prefers life in the chatrooms. What she's looking for is someone honest and direct. Instead she finds Tim, a man twice her age, who thinks she is 11 and a boy. What seems at first to be a case of crossed wires, ends up as an unlikely, and unsettling friendship between the two, which culminates in a shocking, and morally challenging revelation. Enron (2009) One of the most infamous scandals in financial history became a theatrical epic in Enron, a dazzling exposition of the shadowy mechanisms of economic deceit. Mixing classical tragedy with savage comedy and surreal metaphor, Enron follows a group of flawed men and women in a narrative of greed and loss which reviews the tumultuous 1990s, and the financial chaos which has spilled over into the new century. The Effect (2012) a clinical romance. Two young

volunteers, Tristan and Connie, agree to take part in a clinical drug trial. Succumbing to the gravitational pull of attraction and love, however, Tristan and Connie manage to throw the trial off course, much to the frustration of the clinicians involved. A Very Expensive Poison (2019) A shocking assassination in the heart of London. In a bizarre mix of high-stakes global politics and radioactive villainy, a man pays with his life. At this time of global crises and a looming new Cold War, A Very Expensive Poison sends us careering through the shadowy world of international espionage from Moscow to Mayfair.

astonishing truths. By the author of *Before I Met You*. **Six Crimson Cranes** Elizabeth Lim 2021-07-06 NEW YORK TIMES BESTSELLER • A princess in exile, a shapeshifting dragon, six enchanted cranes, and an unspeakable curse... Drawing from fairy tales and East Asian folklore, this original fantasy from the author of *Spin the Dawn* is perfect for fans of *Shadow and Bone*. "A dazzling fairytale full of breathtaking storytelling." --Stephanie Garber, New York Times bestselling author of *Caraval* Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she never wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She

warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers will die. Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. And she must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of *The Wild Swans*, *Cinderella*, the legend of Chang E, and the *Tale of the Bamboo Cutter*, Elizabeth Lim has crafted a fantasy like no other, and one that will stay with readers long after they've turned the last page. "A stunning remake of a fairytale. *Six Crimson Cranes* is the perfect blend of whimsy and ferociousness, with twists and turns that will tug at your heartstrings." —Chloe Gong, New York Times bestselling author of *These Violent*

Railway Signal 1896

All That Follows Jim Crace 2010-04-20 Set in Texas and the suburbs of England, All That Follows is a novel in which tender, unheroic moments triumph over the more strident and aggressive facets of our age. British jazzman Leonard Lessing spent a memorable yet unsuccessful few days in Austin, Texas, trying to seduce a woman he fancied. During his stay, he became caught up in her messy life, which included a new lover, a charismatic but carelessly violent man named Maxie. Eighteen years later, Maxie enters Leonard's life again, but this time in England, where he is armed and holding hostages. Leonard must decide whether to sit silently by as the

standoff unfolds or find the courage to go to the crime scene where he could potentially save lives, as only someone who knows Maxie can. The lives of two mothers and two daughters - all strikingly independent and spirited - hang in the balance. All That Follows provides moving and surprising insights into the conflict between our private and public lives and redefines heroism in this new century. It is a masterful work one of England's brightest literary lights.

for Change in Substance Use Disorder Treatment (Updated 2019) U.S. Department of Health and Human Services 2019-11-19 Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. A Room with a View Illustrated

E M Forster 2021-04-13 "A Room with a View is a 1908 novel by English writer E. M. Forster, about a young woman in the restrained culture of Edwardian era England. Set in Italy and England, the story is both a romance and a humorous critique of English society at the beginning of the 20th century. Merchant Ivory produced an award-winning film adaptation in 1985. The Modern Library ranked A Room with a View 79th on its list of the 100 best English-language novels of the 20th century (1998)."

2016-02-23 Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy

Good Leaders Ask Great

Questions John C. Maxwell
2014-10-07 A #1 New York Times bestselling author and leadership expert answers questions from his readers about what it takes to be in charge and make a difference. John Maxwell, America's #1 leadership authority, has mastered the art of asking questions, using them to learn and grow, connect with people, challenge himself, improve his team, and develop better ideas. Questions have literally changed Maxwell's life. In **GOOD LEADERS ASK GREAT QUESTIONS**, he shows how they can change yours, teaching why questions are so important, what questions you should ask yourself as a leader, and what questions you should be asking your team. Maxwell also opened the floodgates and invited people from around the world to ask him any leadership question. He

answers seventy of them--the best of the best--including . . . What are the top skills required to lead people through difficult times? How do I get started in leadership? How do I motivate an unmotivated person? How can I succeed working under poor leadership? When is the right time for a successful leader to move on to a new position? How do you move people into your inner circle? No matter whether you are a seasoned leader at the top of your game or a newcomer wanting to take the first steps into leadership, this book will change the way you look at questions and improve your leadership life.

Let's get it right Lucy Emmerson 2013-03-22 Let's get it right is a pack of 13 practical class-room activities for use at KS1 and KS2 for consulting children about what they learn in SRE, how it is taught and how it could be improved. The toolkit comes complete with: learning outcomes and teaching notes for the 13 activities photocopyable resources 'benchmark' questions that a school can use to measure progress each year a checklist for reviewing SRE provision in a primary school a curriculum design tool explanation of 'why' and 'how' to involve young children in reviewing SRE The toolkit builds on the success of 'Are

you getting it right? for consulting secondary-aged pupils'. Exactly what is taught in SRE and from what age is too often debated and decided by adults without consulting the children it affects.

However, even very young children can contribute their views about SRE provided suitable methods are used. This resource shows how this can be done in practice. Asking children their views on SRE gives them an opportunity to be active citizens and to fulfil their right to express opinions. This guide shows how listening to pupils can become part of school culture and thus reap benefits to pupil well-being, including raising self-esteem and developing social skills.
