Sir Walter Scott Albert Stratford George Canning 2015-07-20 Excerpt from Sir Walter Scott: Studied in Eight Novels This most interesting story, unlike its predecessor, "Waverley," has nothing to do with religious or political history. Its main interest depends on fictitious characters and incidents, some of which, according to Scott's notes and references, have a slight foundation in fact. Although there are two heroes and two heroines, none of them are very interesting or attractive. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses

state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Sir Walter Scott Studied in Eight Novels Albert Stratford George

1832-1 Canning 2016-05-06 This work has been selected by scholars as

being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
