The Lair of the White Worm Bram Stoker 1911 "This book centers around Adam Salton who is contacted by his granduncle in England, for the purpose of establishing a relationship between these last two members of the family. Adam travels to Richard Salton's house in Mercia, and quickly finds himself in the center of some inexplicable occurrences. The new heir to the Caswall estate, Edgar Caswall appears to be making some sort of a mesmeric assault on a local girl. And, a local lady, Arabella March, seems to be running a game of her own, perhaps angling to become Mrs. Caswall. There is something strange about Lady March, something inexplicable and evil."--Online-literature.com.

A Son of Perdition Fergus Hume 2015-03-09 "[...]instinctively by her pure

soul, she kept out of his way as much as possible. The stealthy attempts of her father to bring youth and age together, Alice resisted as best she could. But it was difficult to fight against two such commanding natures, and all the time there was the insistent feeling of being drawn into darkness. Alice often blamed herself for thinking in this hostile way of her father, but could never get rid of her doubts. It was firmly rooted in her mind that Narvaez and Enistor were dwelling in an atmosphere of evil, which they wished to extend so as to include herself. At the moment the pressure was particularly strong, and she sighed with weariness as the invisible forces came up against her. Hardly had the sound left her lips when Don Pablo glanced swiftly at his host. "You are tired, Alice," said Enistor, rising to open the door. "The heat is[...]"

Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside A Son of Perdition - An Occult Romance: Look inside the book: It is not improbable,' she went on musingly, 'that there may be some slight link between us dating from our meeting in former lives, but it is not a strong enough one to bring us together this time as man and wife!' ...It was strange that she should entertain this idea seeing that the Spaniard was as frail as Enistor was strong, and did not at all look like one who could, or would, rule so aggressive a personality. About Fergus Hume, the Author: He continued to be anxious for success as a dramatist, and at one time Henry Irving was favourably considering one of his plays, but he died before it could be produced. ...The writer of the obituary notice in The Times stated that he was a very religious man who during his last

years did much lecturing to young people's clubs and debating societies.

Blockbuster! Lucy Sussex 2015-06-24 Before there was Arthur Conan Doyle's Sherlock Holmes, there was Fergus Hume's *The Mystery of a Hansom Cab*—the biggest, and fastest-selling, detective novel of the 1800s, and Australia's first literary blockbuster. Fergus Hume was an aspiring playwright when he moved from Dunedin to Melbourne in 1885. He wrote *The Mystery of a Hansom Cab* with the humble hope of bringing his name to the attention of theatre managers. The book sold out its first run almost instantly and it became a runaway word-of-mouth phenomenon—but its author sold the copyright for a mere fifty pounds, missing out on a potential fortune. *Blockbuster!* is the engrossing story of a book that would help define the genre of crime fiction, and a portrait of a great city in full bloom. Rigorously researched and full of arresting detail, this captivating book is a must-read for all fans of true crime, history and crime fiction alike. Lucy Sussex was born in New Zealand. She has edited four anthologies, including *She's Fantastical*, shortlisted for the World Fantasy Award. Her award-winning fiction includes books for younger readers and the novel *The Scarlet Rider*. Lucy has five short-story collections, including *My Lady Tongue*, *A Tour Guide in Utopia*, *Absolute Uncertainty* and *Matilda Told Such Dreadful Lies*. Lucy Sussex's latest book is *Blockbuster!* Fergus Hume and *The Mystery of a Hansom Cab*. She lives in Melbourne. '[Sussex] provides a rich picture of Victorian life and a revealing account of late 19th-century publishing practices...Fascinating.' Publishers Weekly 'An absorbing, at times fascinating companion to *The Mystery of a Hansom Cab*.' Age/SMH/Brisbane Times 'Told with wit and lightly worn scholarship...Sussex has written a fine, thoroughly engaging and multifaceted history. Generously, she has shared her fun with the rest of

us.' Australian 'The book is a must-read for anyone interested in the history of crime fiction or Australian literature, but is highly recommended even if you're not: Sussex is a superb story-teller and leavens this fascinating account with dry wit. It deserves to be a blockbuster.' Tara Sharp 'This is a fine book about a novel that defined the burgeoning genre of crime fiction, full of wit, important discoveries and fascinating insights - like its subject, a real page-turner.' Wormwoodiana 'Sussex skillfully assembles the known information about a very private man and his times, and reveals a Victorian world whose machinations and mysteries are equal to those of his most famous fiction.' Stuff NZ 'A very interesting whodunit about a whodunit.' North and South 'Blockbuster! is almost too much to take in. It's a wealth of well researched information, but readable and informative just the same. The book is equipped with bibliography, end notes, epitaphs and reviews, enough to keep the curious occupied for hours.' Otago Daily Times 'A wealth of well-researched information, readable, informative and enough to keep the curious occupied for hours.' Otago Daily Times, 2015's Must Read Books 'Blockbuster! makes for highly enjoyable and informative reading.' Washington Post

The Theosophic Messenger 1912

A Son of Perdition an Occult Romance Fergus Fergus Hume 2018-02-28 Fergusson Wright Hume, known as Fergus Hume (8 July 1859 - 12 July 1932) was a prolific English novelist. Finding that the novels of Émile Gaboriau were then very popular in Melbourne, he obtained and read a set of them and determined to write a novel of a similar kind. The result was the self-published novel *The Mystery of a Hansom Cab* (1886), which became a great success. Hume based his descriptions of poor urban life on his knowledge of Little Bourke Street. He sold the English and United States rights to the novel for 50 pounds, and thus derived little benefit from its success. It eventually became the best selling mystery novel of the Victorian era, author John Sutherland terming it the "most sensationally popular crime and detective novel of the century". This

novel inspired Arthur Conan Doyle to write *A Study in Scarlet*, which introduced the character Sherlock Holmes. Doyle remarked, "Hansom Cab was a slight tale, mostly sold by 'puffing'." After the success of his first novel and the publication of another, *Professor Brankel's Secret* (c.1886), Hume returned to England in 1888. He resided in London for few years and then he moved to the Essex countryside where he lived in Thundersley for 30 years, eventually producing more than 100 novels and short stories. He continued to be anxious for success as a dramatist, and at one time Henry Irving was favourably considering one of his plays, but he died before it could be produced.

The A to Z of Fantasy Literature Brian Stableford 2009-08-13 Once upon a time all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century, when it enjoyed a spectacular resurgence in every stratum of the literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins of literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition and the reasons for its changing historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors, ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature, through bibliographies and accounts of the fantasy literature of different nations, to individual author studies and useful websites.

A Son of Perdition Hume Fergus 2016-06-23 Unlike some other

reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
