Changing Teams Jennifer Allis Provost 2015-10-29 Britt Sullivan, part time model and full time aspiring artist, is sick of living alone in the city... Taking lame jobs just to make ends meet is leading Britt nowhere, and she knows something has to change. She needs some excitement, and when she meets blue-eyed Midwesterner Sam MacKellar at a photo shoot, she realizes he's perfect for her in every way-well, except for the fact that he's gay. A devastating childhood trauma turned Sam's whole life into a lie... Sam came to New York City to escape an existence that had become unbearable, and when his job as a photographer's assistant leads him to Britt, he realizes he's finally met someone who sees him as he really is. But plagued by nightmares and trapped by his own deception, he doesn't know how she can truly be part of his life. Friendship leads to a passionate encounter and hidden dangers... Britt comforts Sam though his nightmares, and they begin to explore their mutual attraction, but the tables are turned when Britt faces unwelcome attention from a manipulative art instructor and Sam must come to her defense. Sam is terrified to reveal the source of his nightmares, sure the truth would shatter his complicated relationship with Britt, but when she suffers an unspeakable trauma of her own, only Sam can help her pick up the pieces. When Britt learns the magnitude of Sam's lies, will his reasons and the depth of their feelings be enough to allow her to forgive him? Does she have a future with Sam, or does his deception also include the reality of changing teams?

A Trip Into the Supernatural Roger J. Morneau 1982

Deeper Than Words David Steindl-Rast 2010-06-15 Spiritual teacher and bridge-builder Brother David Steindl-Rast translates the Apostles' Creed for today, uncovering the deeper universal truths that can be an inspiration to all people. In *Deeper than Words: Living the Apostles' Creed*, Brother David reexamines the words with which the early followers of Jesus summarized their faith. Reading line-by-line with an open perspective, he reveals the often overlooked message of trust, compassion, peace, love, and awareness contained in this widely known but rarely examined statement. *Deeper than Words* moves beyond ritual and exclusivity and instead finds a deeper faith based in real human experience and the sense of limitless belonging that is shared by all people who seek to understand themselves and the world. The words of the Apostles' Creed are Christian, but its heart is a universal and timeless guide to fullness of life. From this transformation perspective, developed over a lifetime of contemplation, Brother David presents a powerful call to renewal through reconnection with the spiritual and a reawakening to shared sacred truths.

Together in the Spirit Robert F. Morneau 2010 Like the best-selling *Together for Life* and *Together at Baptism*, this simple companion for prayer, reflection, and personal growth deeply enriches spiritual preparation for and joyful celebration of the sacrament. Ideal for adult and adolescent Confirmation candidates, this handbook can be used for personal prayer and reflection, retreats, small-group discussions, and spiritual direction; it also contains all approved Lectionary readings and other texts from the Rite of Confirmation. With a view toward making practical connections between the sacrament of Confirmation and everyday life, Bishop Morneau and Deacon Mike Grzeca include profiles of saints, FAQs, prayers, poems and personal stories from other candidates and from newly confirmed members of the Church.

Thanks! Robert A. Emmons 2008 A scientifically groundbreaking, eloquent look at how we benefit -- psychologically, physically, and interpersonally -- when we practice gratitude. In *Thanks!*, Robert Emmons draws on the first major study of the subject of gratitude, of "wanting what we have," and shows that a systematic cultivation of this underexamined emotion can measurably change people's lives."--
Nearer, My God William F. Buckley, Jr. 2011-10-05 His Roman-Catholic faith has been an enduring part of the life and personality of William Buckley, Jr. Now, for the first time since his ground breaking *God and the Man at Yale* he has written a book about faith--his own. *Nearer, My God, An Autobiography of Faith* is William Buckley's superbly written story of his life seen through his abiding love for the Catholic Church, a love instilled in him from childhood. He reminisces about his school days in England, his family, the affect the Lunn/Knox dialogue had on him, and examines many aspects of Catholicism and its theology, doctrine and liturgy and on the way discourses about Lourdes, the vernacular mass, the Church and the State, the Crucifixion, the priesthood, contraception as well as the many people who have assisted him on his life's journey. A remarkable, revealing book about one man and his faith.

The Stone-Campbell Movement D. Newell Williams 2013-03-30 *The Stone-Campbell Movement: A Global History* tells the story of Christians from around the globe and across time who have sought to witness faithfully to the gospel of reconciliation. Transcending theological differences by drawing from all the major streams of the movement, this foundational book documents the movement's humble beginnings on the American frontier and growth into international churches of the twenty-first century.

The Discerning Heart Wilkie Au 2006 Integrating the wisdom of Christian tradition and recent psychological findings on effective decision-making, this book presents a view of Christian discernment that honors the body-spirit unity of the person and the broad and mysterious ways we can be led by the spirit of God in our life-choices. Going beyond discernment skills and concrete practices, this book presents a coherent theoretical understanding of discernment that grounds the many spiritual practices used by Christians today. By providing a broad and inclusive understanding of the multiple ways God can provide guidance to individuals, this book helps individuals to honor the unique and idiosyncratic way that they receive divine guidance, as well as provides guidelines that guard against possible self-deception and personal blind-spots. While including anecdotal accounts and practical elements or Christian discernment, this book provides a conceptual understanding of discernment that will be helpful for those training to be professional ministers, pastors, priests, religious counselors, and spiritual directors. It is unique in applying Christian tradition and contemporary psychological insights to the process of discernment.

The Silent Life Thomas Merton 2010-05-25 Thomas Merton wrote The Silent Life a decade after he took orders. In his Prologue, Merton describes the book as "a meditation on the monastic life by one who, without any merit of his own, is privileged to know that life on the inside . . . who seeks only to speak as the mouthpiece of a tradition centuries old." It is a remarkable work-one that combines a lucid and informative description of the nature and forms of monasticism, communal and solitary, with a passionate defense of the contemplative's quest for God. The intense beauty of Merton's meditation, radiating from beneath its surface calm, makes The Silent Life a classic of its kind.

Francis of Assisi - The Prophet: Early Documents, vol. 3 Regis J. Armstrong 1999 The Prophet is the third volume in this extraordinary series of "the writings of Saint Francis and those of the early Franciscan witnesses" and it will "be of estimable value to scholars, students, and lovers of Il Poverello as well...a scholarly achievement done in the service of history, theology and spirituality." (Lawrence Cunningham) *Franciscan Prayer* Ilia Delio 2004 Masterfully written and intensely enlightening, Franciscan Prayer could very well be considered the essential handbook for all those seeking to pray and live the Franciscan way. With exquisite execution, Franciscan theologian Ilia Delio clearly outlines what it means to pray as a Franciscan. Through her experience as a discalced Carmelite nun and then her transformation into Franciscan scholar, Sister Delio brings to light the "contemplative," "cosmic" and "evangelizing" aspects of Franciscan prayer. Everyone, says Delio, seems to know about Francis' life, his miracles, his devotion to

evangelization and his dedication to living a simple and humble life, yet few know about his prayer life, which seemed, over the centuries, to get lost in the paper shuffle between theologians, followers and historical biographers. It is through Clare of Assisi, Delio asserts, that we have insights into the Franciscan path of prayer. "[Clare] provides the 'road-map' of prayer for evangelical life...she was able to do this because she lived under monastic rule while ardently desiring evangelical life." Through Clare's letters and actions, we find the rudiments of Franciscan prayer: "Gaze—Consider—Contemplate—Imitate." Delio also uses the insights of Saint Bonaventure as well as Saint Francis to fully show the meaning and purpose of prayer in the Franciscan tradition.

Corsets and Codpieces Karen Bowman 2016-10-04 Have you ever wondered why we wear the type of clothes we do? Packed with outlandish outfits, this exciting history of fashion trends reveals the flamboyant fashions adopted (and discarded) by our ancestors. In the days before cosmetic surgery, people used bum rolls and bombastic breeches to augment their figures, painted their faces with poisonous concoctions, and doused themselves with scent to cover body odor. Take a fresh look at history's hidden fashion disasters and discover the stories behind historical garments: How removing a medieval woman's headdress could reveal her as a harlot Why Tudor men traded in their oversized codpieces for corsets How crinoline caused a spate of shoplifting among Victorian ladies Karen Bowman charts our sartorial history from the animal skins first used to cover our modesty and show off hunting skills, right up to the twentieth-century drive for practicality and comfort. Corsets and Codpieces is a fascination read for history buffs and fashionistas alike. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Quantum Change William R. Miller 2011-10-21 Most of us walk through each day expecting few surprises. If we want to better ourselves or our lives, we map out a path of gradual change, perhaps in counseling or psychotherapy. Psychologists William Miller and Janet C'de Baca were longtime scholars and teachers of traditional approaches to self-improvement when they became intrigued by a different sort of change that was sometimes experienced by people they encountered--something often described as "a bolt from the blue" or "seeing the light." And when they placed a request in a local newspaper for people's stories of unexpected personal transformation, the deluge of responses was astounding. These compelling stories of epiphanies and sudden insights inspired Miller and C'de Baca to examine the experience of "quantum change" through the lens of scientific psychology. Where does quantum change come from? Why do some of us experience it, and what kind of people do we become as a result? The answers that this book arrives at yield remarkable insights into how human beings achieve lasting change--sometimes even in spite of ourselves.

The Gift of Years Joan Chittister 2008 Not only accepting but celebrating getting old, this inspirational and illuminating work looks at the many facets of the aging process, from purposes and challenges to struggles and surprises.

Contemplative Prayer Thomas Merton 2009-11-17 In this classic text, Thomas Merton offers valuable guidance for prayer. He brings together a wealth of meditative and mystical influences--from John of the Cross to Eastern desert monasticism--to create a spiritual path for today. Most important, he shows how the peace contacted through meditation should not be sought in order to evade the problems of contemporary life, but can instead be directed back out into the world to affect positive change. Contemplative Prayer is one of the most well-known works of spirituality of the last one hundred years, and it is a must-read for all seeking to live a life of purpose in today's world. In a moving and profound introduction, Thich Nhat Hanh offers his personal recollections of Merton and compares the contemplative traditions of East and West.

The Cliff Walk Don J. Snyder 2014-09-23 Five years ago, Don Snyder was teaching English at Colgate

University. He was forty years old and had a wife, three children, a new baby on the way, and what seemed like a secure middle-class future. But then Snyder lost his chance at tenure -- and, all of a sudden, he was out of a job. *The Cliff Walk* is a moving, clear-eyed account of Snyder's agonizing loss and what it feels like to fall, rung by rung, down the socio-economic ladder. Snyder chronicles the denial and disbelief he went through as his hopes of finding another teaching job faded after being rejected for ninety positions. He explains how each painful change -- selling his house, buying groceries with food stamps -- reminded him how much he and his family had taken for granted in their previous life. And he describes how he finally found new hope in a job on a home construction crew in Maine. Working outside for ten hours a day through a vicious winter taught Snyder about his own cowardice and the lies he had come to believe about what a professional life of hard work entitled him to. Written with precision and elegance, *The Cliff Walk* captures the depth of one family's love and speaks to anyone who has ever wondered what it would be like to be out of a job and out in the cold.
