Dollars & Sense Elaine Scott 2016-08-02 We're in the money! Many things come with instructions. Unfortunately, money isn't one of them. Most people learn how to use it—or lose it—by trial and error. *Dollars & Sense* is a basic operating instruction manual for money that will teach readers about the history of money, the way our American economy works, and how to make important decisions about personal finance. From skulls, sheep, and shells as barter in ancient civilizations to credit, interest, and collateral of our modern day economics, money—and all its glorious uses and cantankerous troubles—is explained in this concise and entertaining volume. Learn about how to make money, how to budget your money, how the government manages (or mismanages!) money, and how to be rich without even trying. Money is sometimes your friend and sometimes your enemy, but in this day and age, we all have to learn to get along with it. An engaging and approachable guide for kids tackling how to responsibly manage their money. Included are sidebars, time lines, diagrams, a glossary, and further resources, as well as information on related topics such as the Great Recession and sequestration.

The Perfect Hour James L.W. West, III 2007-12-18 F. Scott Fitzgerald was a handsome, ambitious sophomore at Princeton when he fell in love for the first time. Ginevra King, though only sixteen, was beautiful, socially poised, and blessed with the confidence that considerable wealth can bring. Their romance began instantly, flourished in heartfelt letters, and quickly ran its course—but Scott never forgot it. Now, for the first time, scholar and biographer James L. W. West III tells the story of the youthful passion that shaped Scott Fitzgerald's life as a writer. When Scott and Ginevra met in January 1915, the rest of the world was at war, but America remained a haven for young people who could afford to have a good time. Privileged and mildly rebellious, the two were swept together in a whirl of dances, parties, campus weekends, and chaperoned visits to New York. "For heaven's sake don't idealize me!" Ginevra warned in one of the many letters she sent to Scott, but of course that's just what he did—for the next two decades. Though he fell in love with Zelda Sayre soon after learning of Ginevra's engagement to a well-to-do midwesterner, Scott drew on memories of Ginevra for his most unforgettable female characters—Isabelle Borgé and Rosalind Connage in *This Side of Paradise*, Judy Jones in "Winter Dreams," and above all Daisy Buchanan in *The Great Gatsby*. Transformed by Scott's art, Ginevra became a new American heroine who inspired an entire generation.

Crash Into Me K. M. Scott 2013-08 What would you give up for everything? Tristan Stone was powerful, commanding, sex incarnate. And he wore it all so well. From the moment his mesmerizing gaze met mine, I had no choice but surrender to everything he was. His power. His decadence. His passion. He was all I never knew I needed. He wanted to possess me, and I wanted to be his everything. All I had to do was accept what he offered. But everything has a price. The world he gave me fulfilled my wildest dreams, but would that be enough when the past

crashed into the present? Look for *Fall Into Me*, the sequel to *Crash Into Me*, coming November 25!

Fall Into Me K. M. Scott 2013-11 Book 2 in the USA Today Bestselling Heart of Stone series. Wealthier and more powerful than most men his age, Tristan Stone merely has to give voice to his desires and whatever he wants is his. Money has given him the ability to say nothing and no one is beyond his reach. Except for Nina. Stripped of her memory after an accident, she doesn't remember the man who loves her. Now he must find a way to show her why she fell in love with him, but the past is always just a step behind, threatening to take her away forever. Unsure of everything about the past four years, Nina believes Tristan loves her. But will the secrets he holds tear them apart just when she needs him most?

The Wild Silk Moths of North America Paul M. Tuskes 2019-05-15 The Saturniidae are among the largest and showiest moths in North America. This comprehensive work covers the life history and taxonomy of a hundred species and subspecies of these Lepidoptera. The beautiful adults and larvae of all species are

illustrated in thirty color plates, which are supported by line drawings of cocoons, distribution maps, and photographs of behavior. More than a natural history guide, this book includes chapters in population biology, life history strategies, disease and parasitoids, and the importance of silk moths of human culture. The systematic account emphasizes genetic differences among populations and the process of speciation and presents new information on experimental hybridization and life histories. For the student, researcher, and naturalist, here is practical information on collecting, rearing, and conducting original research. The entire text is referenced to an extensive bibliography.

2015-03-17 Addiction and obsession brought Ian and Kristina together, and real life tore them apart. For Ian, Kristina is everything. What began as an obsession has morphed into that something more he so wanted. Kristina is his muse and so much more, but now both of them must make choices that may change everything. For Kristina, Ian offers all that she's ever wanted. Love. Passion. Adoration. But these come with a price, and the cost of loving him may be more than she's willing to pay. This serial is not meant to be a complete story in each volume, so expecting a happily ever after at the end of each part is a mistake. SILK is a continuing story involving one couple, Ian and Kristina, and this is their story. There will be a happily ever after at the end of the entire serial, however. Also, four volumes will be all there is to SILK. This is not a story that's meant to go on after those four parts. SILK is meant to be erotic, and while it has a story in addition to the sex, that story is one of addiction and obsession, both sexually and non-sexually. Ian and Kristina are flawed and broken, and their story is one of mad and desperate love.

2015-03-17 Ian and Kristina's love has been tested over and over, but now one final test may be too much for them to overcome. The only part of his life other than Kristina that meant anything to Ian-his career-lays in shambles. Now he'll have to decide if he can forgive the woman he loves for betraying his most important secret. Kristina will do whatever it takes to get Ian back, and this time it won't be easy. But their

love means too much for her to give up now. And just when they think they've finally found happiness, their love will be challenged one last time. Silk (Movie Tie-in Edition) Alessandro Baricco

2008-12-10 The year is 1861. Hervé Joncour is a French merchant of silkworms, who combs the known world for their gemlike eggs. Then circumstances compel him to travel farther, beyond the edge of the known, to a country legendary for the quality of its silk and its hostility to foreigners: Japan. There Joncour meets a woman. They do not touch; they do not even speak. And he cannot read the note she sends him until he has returned to his own country. But in the moment he does, Joncour is possessed.

Detroit Scott Martelle 2012 "A valuable biography sure to appeal to readers seeking to come to grips with important problems facing not just a city, but a country."--Kirkus *Detroit* was established as a French settlement three-quarters of a century before the founding of this nation. A remote outpost built to protect trapping interests, its industry took a great leap forward with the completion of the Erie Canal. *Detroit* turned iron into stoves and railcars, and eventually cars by the millions. This vibrant commercial hub attracted businessmen and labor organizers, European immigrants and African Americans from the ru.

The Internationalists Oona A. Hathaway

2017-09-12 "An original book...about individuals who used ideas to change the world" (The New Yorker)—the fascinating exploration into the creation and history of the Paris Peace Pact, an often overlooked but transformative treaty that laid the foundation for the international system

we live under today. In 1928, the leaders of the world assembled in Paris to outlaw war. Within the year, the treaty signed that day, known as the Peace Pact, had been ratified by nearly every state in the world. War, for the first time in history, had become illegal. But within a decade of its signing, each state that had gathered in Paris to renounce war was at war. And in the century that followed, the Peace Pact was dismissed as an act of folly and an unmistakable failure. This book argues that the Peace Pact ushered in a sustained march toward peace that lasts to this day. A “thought-provoking and comprehensively researched book” (The Wall Street Journal), *The Internationalists* tells the story of the Peace Pact through a fascinating and diverse array of lawyers, politicians, and intellectuals. It reveals the centuries-long struggle of ideas over the role of war in a just world order. It details the brutal world of conflict the Peace Pact helped extinguish, and the subsequent era where tariffs and sanctions take the place of tanks and gunships. *The Internationalists* is “indispensable” (The Washington Post). Accessible and gripping, this book will change the way we view the history of the twentieth century—and how we must work together to protect the global order the internationalists fought to make possible. “A fascinating and challenging book, which raises gravely important issues for the present... Given the state of the world, *The Internationalists* has come along at the right moment” (The Financial Times).

The Handbook of Life-Span Development, Volume 2 2010-08-09 In the past fifty years, scholars of human development have been moving from studying change in humans within sharply defined periods, to seeing many more of these phenomenon as more profitably studied over time and in relation to other processes. *The Handbook of Life-Span Development, Volume 2: Social and Emotional Development* presents the study of human development conducted by the best scholars in the 21st century. Social workers, counselors and public health workers will receive coverage of the social and emotional aspects of human change across the lifespan. *Give in to Me* K. M. Scott 2014-02 The third book in the Heart of Stone series concludes the sensual and emotional story of Tristan and Nina

that began in *Crash Into Me* and continued in *Fall Into Me...* Tristan Stone has lived a life other men would kill for. Literally. But all the money, women, and fast cars mean nothing to him since Nina came into his life. Danger lurks around every turn with enemies wearing friendly faces. Whatever it takes, he'll protect the woman he loves because without her, life isn't worth living. Nina Edwards had no idea of the world Tristan would give her. All her dreams have come true, but with the good comes the bad, and this world of his has more than enough of that. For love, though, she'll face not only Tristan's demons but anyone who stands in her way of finally finding happiness with the man she loves.

Caste Isabel Wilkerson 2020-08-04 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • “An instant American classic and almost certainly the keynote nonfiction book of the American century thus far.”—Dwight Garner, *The New York Times* The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. #1 NONFICTION BOOK OF THE YEAR: Time ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *The New York Times*, *Los Angeles Times*, *The Boston Globe*, *O: The Oprah Magazine*, NPR, Bloomberg, *The Christian Science Monitor*, *New York Post*, *The New York Public Library*, *Fortune*, *Smithsonian Magazine*, *Marie Claire*, *Slate*, *Library Journal*, *Kirkus Reviews* Winner of the Carl Sandberg Literary Award • Winner of the Los Angeles Times Book Prize • National Book Award Longlist • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist • Kirkus Prize Finalist “As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written

narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

Adore K. M. Scott 2017-06-18 Addiction and obsession brought Ian and Kristina together, and real life tore them apart. For Ian, Kristina is everything. What began as an obsession has morphed into that something more he so wanted. Kristina is his muse and so much more, but now both of them must make choices that may change everything. For Kristina, Ian offers all that she's ever wanted. Love. Passion. Adoration. But these come with a price, and the cost of loving him may be more than she's willing to pay. Wilson A. Scott Berg 2013-09-10 From the #1 New York Times bestselling author, "a brilliant biography"* of the 28th president of the United States. *Doris Kearns Goodwin One hundred years after his inauguration, Woodrow Wilson

still stands as one of the most influential figures of the twentieth century, and one of the most enigmatic. And now, after more than a decade of research and writing, Pulitzer Prize-winning author A. Scott Berg has completed *Wilson*—the most personal and penetrating biography ever written about the twenty-eighth President. In addition to the hundreds of thousands of documents in the Wilson Archives, Berg was the first biographer to gain access to two recently discovered caches of papers belonging to those close to Wilson. From this material, Berg was able to add countless details—even several unknown events—that fill in missing pieces of Wilson's character, and cast new light on his entire life. From the visionary Princeton professor who constructed a model for higher education in America to the architect of the ill-fated League of Nations, from the devout Commander in Chief who ushered the country through its first great World War to the widower of intense passion and turbulence who wooed a second wife with hundreds of astonishing love letters, from the idealist determined to make the world "safe for democracy" to the stroke-crippled leader whose incapacity—and the subterfuges around it—were among the century's greatest secrets, from the trailblazer whose ideas paved the way for the New Deal and the Progressive administrations that followed to the politician whose partisan battles with his opponents left him a broken man, and ultimately, a tragic figure—this is a book at once magisterial and deeply emotional about the whole of Wilson's life, accomplishments, and failings. This is not just Wilson the icon—but Wilson the man. **INCLUDES PHOTOGRAPHS**

How Do You Live? Genzaburo Yoshino 2021-10-26 The first English translation of the classic Japanese novel that has sold over 2 million copies—a childhood favorite of anime master Hayao Miyazaki (*Spirited Away*, *My Neighbor Totoro*, *Howl's Moving Castle*), with an introduction by Neil Gaiman. First published in 1937, Genzaburō Yoshino's *How Do You Live?* has long been acknowledged in Japan as a crossover classic for young readers. Academy Award-winning animator Hayao Miyazaki has called it his favorite childhood book and announced plans to emerge from retirement to make it the basis of his final film. *How Do You*

Live? is narrated in two voices. The first belongs to Copper, fifteen, who after the death of his father must confront inevitable and enormous change, including his own betrayal of his best friend. In between episodes of Copper's emerging story, his uncle writes to him in a journal, sharing knowledge and offering advice on life's big questions as Copper begins to encounter them. Over the course of the story, Copper, like his namesake Copernicus, looks to the stars, and uses his discoveries about the heavens, earth, and human nature to answer the question of how he will live. This first-ever English-language translation of a Japanese classic about finding one's place in a world both infinitely large and unimaginably small is perfect for readers of philosophical fiction like *The Alchemist* and *The Little Prince*, as well as Miyazaki fans eager to understand one of his most important influences.

Stolen Destiny (Destined Ones #1) K.M. Scott 2016-02-07 From New York Times and USA Today bestselling author K.M. Scott writing as Gabrielle Bisset, lose yourself in a world that turns on nothing less than fate! Tormented by his past, former police officer Varek Leale merely exists now since he lost his wife and daughter, barely alive in Nil when the Aeveren Council summons him to catch a serial murderer in New Hope, New York. Little does he know in exchange for his freedom, he'll be given a gift he was sure he'd never have again in his life, but if he isn't careful, it may slip right through his hands. Callia Reynolds has spent seven of her fifty Aeveren lifetimes without a destined one and wants nothing more than the happiness of love she sees all around her, but she's resigned herself to yet another lifetime alone. Her world will be turned upside down by the killings of her fellow Aeveren and the two men fate brings to her. In the Aeveren world, few are more powerful than Amon Kalins. Born with his

powers, he can travel through time and manipulate it like no other of his kind. But with great power comes temptation, and when Amon has the chance to use his gifts for good to help catch the New Hope serial killer, the desire to have what he shouldn't may prove his undoing for while Varek possesses no powers, he isn't going to let anyone take away his second chance at happiness. Not even one of the most powerful beings in the Aeveren world. reincarnation, soul mates, fate, paranormal romance

Six Crimson Cranes Elizabeth Lim 2021-07-06 NEW YORK TIMES BESTSELLER • A princess in exile, a shapeshifting dragon, six enchanted cranes, and an unspeakable curse... Drawing from fairy tales and East Asian folklore, this original fantasy from the author of *Spin the Dawn* is perfect for fans of *Shadow and Bone*. "A dazzling fairytale full of breathtaking storytelling." --Stephanie Garber, New York Times bestselling author of *Caraval* Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she never wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers will die. Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. And she must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of *The Wild Swans*, *Cinderella*, the legend of Chang E, and the Tale of the Bamboo Cutter, Elizabeth Lim has crafted a fantasy like no other, and one

that will stay with readers long after they've turned the last page. "A stunning remake of a fairytale. Six Crimson Cranes is the perfect blend of whimsy and ferociousness, with twists and turns that will tug at your heartstrings." —Chloe Gong, New York Times bestselling author of *These Violent Delights* "Fast-paced excitement is balanced with a satisfyingly intricate plot that weaves in elements from Western fairy tales and East Asian folklore." —SLJ, starred review "A richly imagined landscape . . . vibrant, fast-paced." —Publishers Weekly, starred review

Silk Volume Three Paperback K. M. Scott 2015-03-17 For Ian Anwell, addiction is a way of life. He can't remember a time when he wasn't addicted to something-heroin, alcohol, whatever made him feel good. But his newest addiction is better than all the others combined. Kristina makes him feel like the man he's always wanted to be. But addicts have a habit of wrecking things, even those they hold dear. For Kristina Richards, Ian is everything. Love. Lust. Obsession. But even as she falls deeper in love with him and the madness they create together, she finds something she never expected to find in her time with him. She finds strength she never knew she had. Denying to the Grave Sara E. Gorman 2021 "This chapter addresses the complicated topic of conspiracy theories. This topic is complicated because a conspiracy theory is not prima facie wrong. Yet one of the hallmarks of false scientific beliefs is the claim by their adherents that they are the victims of profiteering, deceit, and cover-ups by conglomerates variously composed of large corporations, government regulatory agencies, the media, and professional medical societies. The trick is to figure out if the false ones can be readily separated from those in which there may be some truth. Only by carefully analyzing a number of such conspiracy theories and their adherents does it become possible to offer some guidelines as to which are most obviously incorrect. The chapter then studies the psychology of conspiracy theory adherence. It argues that belittling people who come to believe in false conspiracy theories as ignorant or mean-spirited is perhaps the surest route to reinforcing an anti-science position"--

Secrets of Sand Hill Road Scott Kuper 2019-06-06 'Worth far more than its cover price ... I wish I'd had it available to me when I was first looking for startup funding' -- Eric Ries Every startup needs capital, and ambitious startups seek it on Sand Hill Road - Silicon Valley's dream street for entrepreneurs. That's where you'll find the biggest names in venture capital, including the famed VC firm Andreessen Horowitz, where lawyer-turned-entrepreneur-turned-VC Scott Kuper serves as managing partner. Whether you're trying to get a new company off the ground or scale an existing

business to the next level, you need to understand how VCs think. *Secrets of Sand Hill Road* is the first book that shows you exactly how VCs decide where and how much to invest. It will help you get the best possible deal and make the most of your relationships with VCs. You'll learn, for instance: -- Why most VCs typically invest in only one startup in a given business category -- Why the talent you need most when raising venture capital is your storytelling ability -- How to handle a 'down round', when you have to raise funds at a lower valuation than in your previous round -- Why bridge financing (reopening your last round to existing investors) is generally a bad idea -- What to do when VCs get too entangled in the day-to-day operations of your business -- Why you need to build relationships with potential acquirers long before you decide to sell Filled with Kuper's firsthand experiences, insider advice, and practical takeaways, *Secrets of Sand Hill Road* is the guide you need to turn your startup into the next unicorn.

Possession (Club X #3) K.M. Scott 2015-01-20 The third book in the bestselling Club X series by New York Times and USA Today bestselling author K.M. Scott! Get all five Club X books separately or in the Complete Club X Series Box Set and fall in love with the hottest brothers in town! Kane Jackson, the ruler of the fantasy section of Club X, has always been different from his brothers. The bastard son of Cassian March III, he grew up without the money and privilege Cassian and Stefan enjoyed from the March name, instead only knowing his father as the man who abandoned him and seeing himself as unloved and unwanted. He let love in once and like everything else in his life, all that came from it was pain. His heart hidden behind the walls he's built since then, Kane is now just the dark figure who rules over the fantasies of others but has none himself. Abbi Linde can't seem to get a break. Too many bad men and bad choices have left her bruised and broken, but the opportunity to dance at Club X could change everything. For the first time, she might be able to make a life for herself and find the happiness she longs for. After what feels like a lifetime of heartbreak, Abbi still believes one day her dreams will come true and she'll find the love that's eluded her. Even the darkest heart craves the light, but will

the darkness be too much for love to overcome with these two souls? All I wanted was my freedom. It's all I'd dreamed of from the first time I stood in the ring. Until I entered Robert Erickson's world. Until Serena. Cruelty and ugliness surrounded me, but she was beautiful and good. I wanted to protect her from her father's world, even though I knew being with her could mean the end of me. I wanted for nothing as the daughter of one of the richest men in the world. But all my father's money couldn't buy what I truly craved. Until Ryder. I wanted all he was, all he brought out in me. All he made me desire. Our love was forbidden by the one person who had the power to harm us. We dreamed of more than living in that world, though. We dreamed of having it all, but did we dare?

Extras Scott Westerfeld 2010-05-27 At the end of *Specials*, the conclusion to the *Uglies* trilogy, things in Tally's futuristic world had stabilised. The walls between the social classes - the uglies, pretties and specials - had been torn down. So Tally took off to live on her own in the wild. Fast forward... Tally discovers another brand new world. In *Extras*, it's all about who you know, and how much you have. It's just like LA. Only Paris and Nicole are way dead...

[30 Things I Love About Myself](#) Radhika Sanghani
2022-01-04 When Nina Mistry's life hits rock bottom, she decides to change her stars by falling in love...with herself—a hilarious, heartfelt story from outrageously funny novelist Radhika Sanghani. Nina didn't plan to spend her thirtieth birthday in jail, yet here she is in her pajamas, locked in a holding cell. There's no Wi-Fi, no wine, no carbs—and no one to celebrate with. Unfortunately, it gives Nina plenty of time to reflect on how screwed up her life is. She's just broken up with her fiancé, and now has to move back into her childhood home to live with her depressed older brother and their uptight, traditional Indian mother. Her career as a freelance journalist isn't going in the direction she wants, and all her friends are too busy being successful to hang out with her. Just as Nina falls into despair, a book lands in her cell: *How to Fix Your Shitty Life by Loving Yourself*. It must be destiny. With literally nothing left to lose, Nina makes a life-changing decision to embark on a self-love journey. By her next

birthday, she's going to find thirty things she loves about herself.

If We Fall (Corrupted Love Trilogy #3) K.M. Scott 2017-08-08 If We Fall: Corrupted Love #3 Silk K. M. Scott 2015-05-01

Claim K. M. Scott 2017-06-18 Ian and Kristina's love has been tested over and over, but now one final test may be too much for them to overcome. The only part of his life other than Kristina that meant anything to Ian-his career-lays in shambles. Now he'll have to decide if he can forgive the woman he loves for betraying his most important secret. Kristina will do whatever it takes to get Ian back, and this time it won't be easy. But their love means too much for her to give up now. And just when they think they've finally found happiness, their love will be challenged one last time. Note: Claim was previously published as SILK Volume Four.

Satisfaction (Club X #4) K.M. Scott 2015-07-12 The fourth book in the Club X series by New York Times and USA Today bestseller K.M. Scott! Get all five Club X books separately or in the Complete Club X Series Box Set and fall in love with the hottest brothers in town! Cassian March finally found a reason to give up his player ways. Crazy in love, he and Olivia are ready to take the next step and make it official, but just when life is perfect is exactly when everything can slip away. Stefan March has lived in the shadow of his two older brothers for too long. With Shay, he sees a chance to finally be the man nobody thinks he can be. But old family wounds have a way of opening up, and sometimes love may not be enough to heal them. Kane Jackson knows a good man would be by Abbi's side as she prepares to give birth to their child, but he's not a good man. Or at least that's what he thinks. Willing to do anything to protect her, he hides himself away so he can't hurt her. Abbi still believes in him, but will her love be able to overcome years of him being told he's only meant to hurt? The three brothers of Club X have all that money can buy, but will they find the happiness each of them wants more than anything else in the world?
