Tales From the Loop Simon Stålenhag 2020-04-07 The basis for the new Amazon Prime Original Series! Perfect for fans of E.T. and Stranger Things—the first narrative artbook from acclaimed author and artist Simon Stålenhag about a fictionalized suburban town in the 1980s inhabited by fantastic machines and strange, imaginative beasts. In 1954, the Swedish government ordered the construction of the world’s largest particle accelerator. The facility was complete in 1969, located deep below the pastoral countryside of Målaröarna. The local population called this marvel of technology The Loop. These are its strange tales. From the same author who wrote the imaginative artbook *The Electric State*, this “haunting,” (The Verge) “sophisticated sci-fi” (The Nerdist) follows the bizarre stories from otherworldly creatures and is a page-turner you won’t be able to put down.

Germes Are Not for Sharing Elizabeth Verdick 2006-01-15 Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that's why it's never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it's so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

Walking Fish Kopel Burk 2015-06-01 A humorous, exciting tale of an ordinary girl who makes an extraordinary scientific discovery—a blind fish that walks. When seventh-grader Alexis catches an unusual fish that looks like a living fossil, she sets off a frenzied scientific hunt for more of its kind. Alexis and her friend Darshan join the hunt, snorkeling, sounding the depths of Glacial Lake, even observing from a helicopter and exploring a cave. All the while, they fight to keep the selfish Dr. Mertz from claiming the discovery all for himself. When Alexis follows one final hunch, she risks her life and almost loses her friend. *Walking Fish* is a scientific adventure that provides a perfect combination of literacy and science.

The Ring Bearer Floyd Cooper 2017-04-04

Mama's getting married, and Jackson has an important job to do! A story about love, weddings, and the special joy that is a blended family. Jackson's mama is getting married, and he gets to be the ring bearer. But Jackson is worried . . . What if he trips? Or walks too slowly? Or drops the rings? And what about his new stepsister, Sophie? She's supposed to be the flower girl, but Jackson's not sure she's taking her job as seriously as she should. In a celebration of blended families, this heartwarming story, stunningly illustrated by

the award-winning Floyd Cooper, is a perfect gift for any child who's nervous to walk down the aisle at a wedding, and shows kids that they can handle life's big changes. Praise for *The Ring Bearer*: "Throughout, Cooper's softly textured mixed-media illustrations offer a warm, affirming depiction of this black family's life and love together . . . Readers will be joining the congregation in cheering for Jackson."--Kirkus Reviews "Written with simplicity, immediacy, and warmth....Cooper creates beautiful effects with subtle colors, textures, and suffused light in the soft-focus paintings. A heartening, reassuring picture book."--Booklist "Children will identify readily with Jackson's fears and enjoy the way he overcomes them. A solid purchase for any picture book collection."--School Library Journal "Many children experience parental weddings, and these times are filled with joy and nervousness. Cooper captures each moment."--Horn Book

The Vernacular Spirit R. Blumenfeld-Kosinski 2002-06-28 The late-medieval movement into 'vernacular theology,' as it has come to be called, inspired many forms of literary expression, in all the languages of Europe. Spanning a wide field, the contributors to this volume consider hagiography, translations of and commentaries on scripture, accounts of visionary experiences, and devotional literature. Their essays illuminate encounters with the divine mediated through language, bringing into play a diversity of national cultures and disciplinary points of view. They also engage vital social and political issues connected with religious experience, including challenges to authority, reinterpretations of texts, and renegotiations of gender roles.

What Was Hurricane Katrina? Robin Koontz 2015-08-11 On August 25th, 2005, one of the deadliest and most destructive hurricanes in history hit the Gulf of Mexico. High winds and rain pummeled coastal communities, including the City of New Orleans, which was left under 15 feet of water in some areas after the levees burst. Track this powerful storm from start to finish, from rescue efforts large and small to storm survivors' tales of triumph.

I'm Not Scared...I'm Prepared! Julia Cook 2014-05-01 When faced with danger you must DO something. The teacher at the Ant Hill School wants her students to be prepared - for everything! One day, she teaches her students what to do if a "dangerous someone" is in their school. "I'll be your shepherd, and you're all my sheep, so you must do what I say. Pretend there's a wolf in our building, and we MUST stay out of his way!" "We need a great plan of action in case we start to get scared. The ALICE Plan will work the best, to help us be prepared." Unfortunately, in the world we now live in, we must ask the essential question: What are the options for survival if we find ourselves in a violent intruder event? *I'm Not Scared...I'm Prepared!* will enhance the ALICE concepts and make them applicable to children of all ages in a non-fearful way. By using this book, children can develop a better understanding of what needs to be done if they ever encounter a "dangerous someone."

The Ant Hill Disaster Julia Cook 2014 (Grades K

and Up) After the Ant Hill School is destroyed, a little boy ant is afraid to go back to school. His mom caringly explains to him that sometimes things happen in life over which we have no control, but we have to find a way to keep living and growing. To do that, "We breathe in and breathe out, and hold onto each other. We shed a lot of tears, and we love one another. We all come together as a strong team of ONE, and then we rebuild, and get things done " The Ant Hill Disaster thoughtfully addresses fears associated with both natural and man-caused disasters. It models effective parenting and teaching responses. This book can help assure children that through love, empathetic understanding, preparation, and effective communication, they can stand strong, even in the midst of uncontrollable events.
