Achtung-Panzer! Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Chicken Qabalah of Rabbi Lamed Ben Clifford Lon Milo DuQuette 2010-07-01 A unique and humorous -- and also practical -- approach to the increasingly popular study of Qabalah. This is a seriously funny book! Traditional Qabalistic (or Cabalistic, or, indeed, Kabbalistic - - read this book to find out what the difference is...we know you've always wondered) sources tend to be a bit, er, dry. DuQuette spices up the Qabalah and makes it come alive, restoring the joy of learning the

fundamentals of this admittedly arcane system by using simple, amusing anecdotes and metaphors. This account, written psuedepigraphically (fictitiously attributed to a supposed authority), allows DuQuette as Rabbi Lamed Ben Clifford to soar to outrageous heights and, when necessary, stand apart from the silliness to highlight the golden eggs of Qabalistic wisdom nested therein. Sure to be a revelation to those who think that learning about the Qabalah needs to be tedious and serious, DuQuette shows that great truths can be transmitted through the medium of laughter.

The Amazing Liver and Gallbladder Cleanse Andreas Moritz 2003-12-01 In this revised edition of his best-selling book, *The Amazing Liver and Gallbladder Cleanse*, Andreas Moritz addresses the most common but rarely recognized cause of illness - gallstones congesting the liver. Twenty million Americans suffer from attacks of gallstones every year. In many cases, treatment merely consists of removing the gallbladder, at the cost of \$5 billion a year. But this purely symptom-oriented approach does not eliminate the cause of the illness, and in many cases, sets the stage for even more serious conditions. Most adults living in the industrialized world, and especially those suffering a chronic illness such as heart disease, arthritis, MS, cancer, or diabetes, have hundreds if not thousands of gallstones (mainly clumps of hardened bile) blocking the bile ducts of their liver. This book provides a thorough understanding of what causes gallstones in the liver and gallbladder and why these stones can be held responsible for the most common diseases so prevalent in the world today. It provides the reader with the knowledge needed to recognize the stones and gives the necessary, do-it-yourself instructions to painlessly remove them in the comfort of one's home. It also gives practical guidelines on how to prevent new gallstones from being

formed. The widespread success of *The Amazing Liver and Gallbladder Cleanse* is a testimony to the power and effectiveness of the cleanse itself. The liver cleanse has led to extraordinary improvements in health and wellness among thousands of people who have already given themselves the precious gift of a strong, clean, revitalized liver.
