Good Call Jase Robertson 2014-05-06 The straight-faced, funny man of Duck Dyanasty has a real story to tell. Not a repeat of the previous Duck Dynasty books, Jase opens up about his personal family life, his childhood days with a drunken father, and how he came to faith. This open book from Jase may surprise some fans who love him for his dry humor and rivalry with younger brother Willie. This hilarious, yet thoughtful book, is structured around lessons of faith in the blind on topics like respect, passion, forgiveness, generosity, humility, kindness, and honesty. Chapters discuss: the highlights of Jase's memory of the early days with his drunken, disruptive father; his high school days and his strong commitment to not be like Phil had been, opting for total abstinence from drinking and sex; the moment he forgave Phil for being such a terrible father in his younger days; his first hunt with Phil, where he saw an excitement in Phil that he'd never seen before; his first date with Missy, which was a "fake date" to make another girl jealous; and of course, a chapter on Uncle Si, with stories not told in previous books. Other chapters include stories of his brothers, frog hunting and fishing, and his most memorable road trips. And finally, Jase shares a chapter on hunting in heaven. Here, Jase shares his love for the land and our responsibility to care for it. More than a behind-the-scenes look at this beloved Duck Dynasty character, readers will be inspired and encouraged to implement Jase's lessons from the blind into their own lives.

Uncanceled Phil Robertson 2022-02-08 Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, Duck Dynasty, put him on "indefinite hiatus." Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In *Uncanceled*, Phil shares his own experiences with cancel culture as he encourages us to turn to Scripture as we navigate politics, personal conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. *Uncanceled* is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection.

Miriam's Song Jill Eileen Smith 2021-03-02 "Smith does an excellent job of bringing her characters to life . . . A memorable and noteworthy rendering of the atmosphere and figures of the scriptures."--Booklist starred review In her eventful lifetime, Miriam was many things to many people: protective older sister, song leader, prophetess, leper. But between the highs and the lows, she was a girl who dreamed of freedom, a woman who longed for love, a leader who made mistakes, and a friend who valued connection. With her

impeccable research and keen eye for detail, bestselling author Jill Eileen Smith offers this epic story to fill in the gaps and imagine how Miriam navigated the challenges of holding on to hope, building a family in the midst of incredible hardship, and serving as a leader of a difficult people, all while living in her brother's shadow. Follow Miriam's journey from childhood to motherhood, obscurity to notoriety, and yearning to fulfillment as she learns that what God promises he provides--in his own perfect timing.

Willie's Redneck Time Machine John Luke Robertson 2014 When Willie and John Luke find a strange outhouse in the Duck Commander warehouse which turns out to be a time machine, they go traveling through time and space, but they have to get back home in time for Korie's birthday party.

Happy, Happy, Happy Phil Robertson 2013-05-07 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. LIVING THE DREAM Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he's quick to say, "Faith, family, ducks—in that order." It isn't often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil's is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the "good life" he always wanted. If you ever wind up sitting face-to-face with Phil, you'll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you've watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don't know is his life before the show. In the pages of this book, you'll learn of Phil's colorful past and his wild road to the "happy, happy, happy" life he leads today. Before the "happy," Phil's passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of "romping, stomping, and ripping" for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a "called" man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you'll find stories that will shock you, as well as those that will inspire you. You'll get to know the man behind the legend, and you'll come away better for it.

The Remaining Travis Thrasher 2014 "Just after a young couple says their vows, the earth shakes, and some people die suddenly and are taken away. The rest of their wedding party and friends are left to wrestle with what happened and with their faith"--

Introductory Combinatorics Kenneth P. Bogart 1990 Introductory, Combinatorics, Third Edition is designed for introductory courses in combinatorics, or more generally, discrete mathematics. The author, Kenneth Bogart, has chosen core material of value to students in a wide variety of disciplines: mathematics, computer science, statistics, operations research, physical sciences, and behavioral sciences. The rapid

growth in the breadth and depth of the field of combinatorics in the last several decades, first in graph theory and designs and more recently in enumeration and ordered sets, has led to a recognition of combinatorics as a field with which the aspiring mathematician should become familiar. This long-overdue new edition of a popular set presents a broad comprehensive survey of modern combinatorics which is important to the various scientific fields of study.

Of course, none of the Robertson crew listens to this crazy person except Si, who pays to be a traveler. When John Luke hears about the opportunity, he decides to tag along for the ride. Soon they're traveling in space, but the captain of the ship goes unconscious. Can they make it back to earth alive?

Your Daily Phil Phil Robertson 2022-06-07 A daily dose of truth, morality, and biblical wisdom from A&E Duck Dynasty patriarch Phil Robertson in this 100-day devotional. There is a war being waged on the soul of America, but Phil Robertson believes there is hope. In this compilation of 100 days of readings taken from his bestselling books *The Theft of America's Soul* and *Jesus Politics*, now with newly added prayers and Bible verses, he shows how Americans can turn away from the lies of the devil and embrace the life-giving, healing, and wholly transforming love of God, helping to bring the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. These 100 devotionals cover God-honoring principles, including committing to the life of Christ and his words; understanding the importance of kindness, respect, hard work, and financial stewardship; enjoying God's creation—Earth, animals, and each other. Written with captivating storytelling and unflinching honesty, this book is a call for Christians to wake up and use their time, talents, resources, influence, and votes to protect and advance the policies of King Jesus—the only policies that will truly heal the soul of America.

Life Just Got Real Sadie Robertson 2017-06-13 Sixteen-year-old A.J. The Case for Marriage Linda Waite 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative

research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal

The Theft of America's Soul Phil Robertson 2019-02-05 It's time to take back what the devil has stolen and bring God back into our culture. Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies that have only sown discord and division. But, most importantly, Phil also believes that things can change. Written with captivating storytelling and unflinching honesty, *The Theft of America's Soul* shows us how to make America a God-honoring nation once more by dropping the ten central lies that rule our day and replacing them with timeless, biblical truths, including: God's people represent his voice in the world True unity comes from a God-centered culture God's standard for all time is the standard of virtue *The Theft of America's Soul* is a prophetic wake-up call for anyone who wants to see our nation thrive, challenging us to exchange lies for truths that will bring peace of mind, harmony, and prosperity back to our country—an invitation to experience the life-giving, peace-filling, wholly-transforming love of God. Praise for *The Theft of America's Soul*: "The moral clarity in this book is so powerful and so refreshing I wish I could give it to everyone I know. Incidentally, the only way something could be this full of truth and wisdom is if its author is a prophet. That he is. Hear him." --Eric Metaxas, author of *Bonhoeffer* "In *The Theft of America's Soul*, the Duck Commander has set his sights on something higher, taking aim at the ten lies that have led our culture astray and put our faith, our families, and our freedom at risk. I am grateful for the direct, nonpolitically correct way my friend Phil Robertson lays out the truth. My prayer is that this book finds its way into the hands and hearts of many Americans." --Tony Perkins, president of Family Research Council and president of Council for National Policy

Stress Challenges and Immunity in Space Alexander Choukèr 2019-11-27 This book explains how stress – either psychological or physical – can activate and/or paralyse human innate or adaptive immunity. Adequate immunity is crucial for maintaining health, both on Earth and in space. During space flight, human physiology is specifically challenged by complex environmental stressors, which are most pronounced during lunar or interplanetary missions. Adopting an interdisciplinary approach, the book identifies the impact of these stressors – the space exposome – on immunity as a result of (dys-)functions of specific cells, organs and organ networks. These conditions (e.g. gravitation changes, radiation, isolation/confinement) affect immunity, but at the same time provide insights that may help to prevent, diagnose and address immune-related health alterations. Written by experts from academia, space agencies and industry, the book is a valuable resource for professionals, researchers and students in the field of medicine, biology and technology. The chapters "The Impact of Everyday Stressors on the Immune System and Health", "Stress and Radiation Responsiveness" and "Assessment of Radiosensitivity and Biomonitoring of Exposure to Space Radiation" are available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

James Madison Lynne Cheney 2015-05-05 A major new biography of the fourth U.S. president, from New York Times bestselling author Lynne Cheney. James Madison was a true genius of the early republic, the leader who did more than any other to create the nation we know today. This majestic new biography tells his story. Outwardly reserved, Madison was the intellectual driving force behind the Constitution. His visionary political philosophy—eloquently presented in the Federalist Papers—was a crucial factor behind the Constitution's ratification, and his political savvy was of major importance in getting the new government underway. As secretary of state under Thomas Jefferson, he managed the Louisiana Purchase, doubling the size of the United States. As president, Madison led the country in its first war under the Constitution, the War of 1812. Without precedent to guide him, he would demonstrate that a republic could defend its honor and independence while remaining true to its young constitution.

The 13th Tribe Robert Liparulo 2012-04-02 When a group of immortal vigilantes threatens millions, only one man is brave enough to stand in their way. Their story didn't start this year...or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment—endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've been trying to earn their way into heaven ever since—by killing sinners. Though their logic is twisted, their brilliance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans have ever seen. Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt. Sinai. The former Army Ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger's wife and son are caught in the crossfire, he'll stop at nothing to save them. But how can one man stand against an entire tribe of immortals? "Liparulo plunges deep into the pages of Scripture to find intriguing what-if's and stunning revelations—all woven into a tale that is both skin-tinglingly supernatural and thought-provokingly real. Packed with high-tech gadgetry, action, and heart . . . Read this novel! Seriously!" —TED DEKKER, New York Times best-selling author of *Forbidden* and the Circle Series "The author of *Comes a Horseman* ushers in an exciting new series with this action-packed and intricately plotted spiritual thriller that should appeal to fans of Frank Peretti and *Oliver North*." —Library Journal "A fantasy-thriller with overt (but not overly intrusive) Christian themes . . . The book can be read as a story of a man's spiritual transition, or it can be read as a fast-paced thriller with fantasy elements. Either way, it's a success." —Booklist "Liparulo opens the Immortal Files series with a bang . . . Liparulo has concocted a fast-moving, imaginative narrative that examines moral questions . . . every reader is in for roller-coaster action, competently done, with a late-breaking major plot curve that leaves the door open for more." —Publishers Weekly "If you're a fan of suspense or biblical fiction, this is one book you won't want to miss. Its mind-blowing action will keep readers totally immersed." —RT Book Review, 4 1/2 stars

Young and Beardless John Luke Robertson 2016-05-17 John Luke Robertson may be young and beardless, but he has a lot to say about growing up and discovering your purpose. John Luke Robertson, the oldest son of Willie and Korie Robertson and brother of Dancing with the Stars sensation Sadie Robertson, shares his story of what it's like to grow up as a Robertson and all the fun and craziness that entails, as well as what he has learned as he has stepped out into his own unique experiences. He also shares what it's like to navigate the walk from boyhood to becoming a man. Topics in this book include friendship, kindness, dreaming big, embracing your God-given uniqueness, taking chances, and choosing mentors. John Luke speaks frequently on dreams (how to build a dream for your life), schemes (how to plan for your dream to come true), and building teams (choosing the people around you who will become a team that helps make your dream come true through their support, honesty, and care). He will incorporate these important guidelines into the book, ultimately helping young people learn how to find and pursue a clear-cut purpose in their lives. Teens and young adults will enjoy reading his story, and they will benefit by reading Robertson's wisdom and perspective on how to grow up and live out your purpose. And, with the Robertsons, this book is sure to be fun!

Jesus Politics Phil Robertson 2020-08-04 New York Times bestselling author and Duck Dynasty star Phil Robertson exposes the destructive nature of American politics and calls on Christians to actively participate in advancing the Kingdom of heaven on earth. We live in a fractured country, a country in which identity politics, creeping socialist policies, toxic social media, and the vast partisan divide threaten the very fabric of America. After decades of political decay and of losing sight of our first principles, the American people are suffering from runaway debt, increased rates of depression, broken families, moral decay, and more. In Jesus Politics, Phil Robertson provides an alternate path: a radical call for Christians to use their freedoms to advance the agenda of the King and win back the divided soul of America. Exploring the problems facing our country and how Jesus would respond to each, Robertson offers a clear strategy, showing us how to do good by King Jesus, bringing the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. Robertson also gives you the tools you need to apply the lessons of Jesus Politics in the voting booth and in our everyday lives, reminding us that above all, we're called to: Love God Love our neighbors Do whatever it takes to bring, maintain, and protect his kingdom on earth as it is in heaven Join Robertson as he takes a closer look at the problems facing America and shares how we can use our time, talents, resources, and votes to solve them as members of the kingdom. Explore a new way of thinking and acting, a way that protects and advances the policies of the King. And, if enough of us do, maybe we can become a nation that proclaims, "In the King we trust."
