Modern Basque History Cameron Watson 2003-01-01 A social and political history of the Basque Country from the 18th century to the present, outlining the evolution of Basque society during the modern period. Watson traces the interrelated histories of the Basque Country, France, Spain, and Europe, following significant themes such as industrialization, migration, and political violence and focusing specifically on the survival of a Basque identity amid the tremendous social, economic, political, and cultural transformations of the last two hundred years. Distributed for the Center for Basque Studies.

Color and Colorimetry. Multidisciplinary Contributions Maurizio Rossi 2012 *Sociology and Social Justice* Margaret Abraham 2018-10-29 "Superbly conceptualises and contextualises social justice in and for our global age. The stellar cast of sociologists connect concepts to practices and outline the challenges

we face, as well as providing necessary responses." Gurminder K Bhambra, Professor of Postcolonial and Decolonial Studies, University of Sussex" A collection of brilliant essays by international scholar-activists, examining concepts and practices from diverse contexts." Mary Romero, Professor of Justice Studies and Social Inquiry, Arizona State University "An excellent set of chapters bringing to the fore new perspectives on the social injustices and inequalities facing a world in crisis." Kammila Naidoo, Professor of Sociology, University of Johannesburg By using contextual global sociology, Sociology and Social Justice explores: Historic and contemporary sites and contexts around the world Sociological insights on topics ranging from social movements, to cyber space. International struggles, processes, and outcomes Written by distinguished international scholars, this is an essential text for those looking at issues of: Human Rights, Public Sociology, Democratization, Gender, and Globalization. Treatment Planning for Traumatized Teeth Mitsuhiro Tsukiboshi 2012 Increased knowledge of treatment outcomes combined with better techniques, new materials, and innovative technology have led to improved diagnosis and management of dental traumatic injuries. Emphasizing a minimally invasive approach to treating dental traumas in which procedures are aimed at assisting the natural healing process of the dental hard tissues, pulp, periodontal ligament, and alveolar bone; where possible,

invasive restoration, pulpectomy, and extraction are avoided. Key points related to examination and diagnosis, treatment planning, and treatment procedures are described for specific types of dental trauma, and long-term follow-up is encouraged. New cases and updated protocols elucidate the most recent approaches to effective treatment of dental traumatic injuries, and the use of dental cone beam computed tomography, which has dramatically improved diagnosis for traumatized teeth, is emphasized throughout. (Editor).

Steps by Steps Don Edkins 2008 "The Steps for the Future documentary film project began in 2000, as a shared journey by talented African filmmakers and well-known professionals from around the world. The experience of the North combined with the knowledge of the South was an auspicious fusion that helped create 38 unique films. It was also the catalyst for new documentary projects such as *Why Democracy?* All the films produced dealt with the question of death and the enormous problem of HIV and AIDS in Southern Africa. Films that millions of people have seen worldwide, that have received awards from Cannes to Zanzibar, and \2013 dubbed into local languages \2013 are still used throughout southern Africa. *Steps by Steps* provides an honest and thorough picture of the process, step by step. Detailed accounts of the logistics of making the series are mingled with reflections on the art of direction, working with other people and the reality of the lives of those people affected by HIV and AIDS. *Steps by Steps* gives a rare behind-the-scenes look at the making of documentary films and the building of a worldwide project, complete with its problems and triumphs, mistakes and unique results"-- Publisher's website.

Pedagogy in the Age of Politics Patricia A. Sullivan 1994 "Writing at a time of 'intense institutional examination and social critique,' the authors in this important volume address how our teaching practices might productively respond to these challenges. [Contributors] discuss how our evolving awareness of the social forces of gender, race, class, and culture may be taken from the level of abstract discussion into our day-to-day interactions with our students and colleagues. Contributors offer new perspectives on such issues as feminism in the

classroom, the shifts in power brought about by computers in the writing class, approaches to literature from various regions and cultures, and new ways of looking at genres such as the journal and the academic autobiography"--Back cover.

The American Chamber of Commerce Journal 1922 Apr. 1935-Apr. 1939 include sections "Mining review" and "Real estate, building and commercial reviews."

A Positive Psychology Perspective on

Quality of Life Anastasia Efklides 2012-11-02

The construct "quality of life (QoL)", since the 1980s, when it was introduced, is being used mainly in the context of health problems. Areas of one's life that contribute to QoL are good physical and mental health, efficient cognitive functioning, social support, being able to meet the requirements of professional life, positive emotions, etc (Power, 2003). Work on subjective well-being (SWB), on the other hand, was developed in the context of healthy everyday life; it also has a history of more than 30 years. During this 30-year period factors that have an impact on SWB, such as SES, gender, health, age, and religiosity have been identified (Diener, 2000). A third independent line of research pertains to what has been called Positive Psychology (Seligman & Csikszentmihalyi, 2000), that is, an emphasis on human strengths, such as optimism, hope, wisdom, positive emotions, resilience, etc., which contribute to positive functioning in life. Recently, SWB has been associated to human strengths and to the movement of positive psychology but this did not happen for QoL, possibly because of its emphasis on people with health problems. However, QoL can be conceived of as a generic term that pertains to all people, healthy or not. In this sense, it is closely related to SWB defined as happiness (Diener, 2000). Also, QoL encompasses positive emotions that go beyond happiness and has the advantage that it can be applied to many different domains of life such as interpersonal relations, health-related situations, and professional and educational strivings. Moreover, the mechanism(s) that underpin QoL and SWB can be studied in relation to people's goals and strengths of character, that is, from a positive psychological perspective. Such a perspective can reveal the specificities of

“quality” in the various domains of life and, specifically, the positive emotions and strengths that contribute to a happier, healthier, and more successful life, even in face of adversity.

Therefore, despite the differences among the three theoretical traditions, namely QoL, SWB, and positive psychology, it is possible to find the common ground they share and each of them can benefit from notions developed in the others. The aim of the present book is to bring together these three traditions, show the interactions of variables emphasized by them, and give an integrative perspective from the positive psychology point of view. It also aims to extend the range of life situations in which one can look for quality and which go beyond the traditional emphasis of QoL on health problems. Thus, the content of the proposed book covers different age populations (from children to older adults), healthy and people facing health problems as well as people facing problems in their interpersonal lives or in their pursuits. It also discusses factors that contribute to marital satisfaction, well being in the school context, and things that people value and cherish. The chapters refer to notions such as happiness, interest, resilience, wisdom, hope, altruism, optimism, and spirituality/religiosity that represent unique human strengths. Finally, it emphasizes the role of goals and motivation that connect SWB with self-regulation and managing of one’s life priorities. To conclude, the chapters included in the proposed edited book aim at bringing to the fore new theoretical developments and research on QoL, SWB, and positive psychology that bridges previously distinct theoretical traditions. The proposed book covers a broad range of topics, addresses different theoretical interests and paves the way for a more integrative approach. Finally, it brings together an international set of authors, from USA, Europe, Australia, and Asia.

Thomas Warton Clarissa Rinaker 1916

Simon Boccanegra Giuseppe Verdi 2018-01-01

Verdi's *Simon Boccanegra* exists in two versions: that of the 1857 original and that of the 1881 revision. The texts of the libretto of both versions are included in this guide, with a number of essays which focus on the differences

between the two. Rodolfo Celletti provides the story's historical context, setting the events of the real life of Simon Boccanegra against the unification of Italy, which formed the political backdrop to the composition of both versions of Verdi's opera. James A. Hepokoski gives a detailed synopsis of the 1881 score, and indicates the ways in which Verdi radically revised the original and reworked it to fit his late style. Lastly, Desmond Shawe-Taylor discusses Verdi's attitude to his singers, and the critical reception that performances of both versions of the opera received. This edition contains over twenty illustrations, a thematic guide and the texts of the libretti in the original with literal translations. There is also a bibliography, discography and DVD guide, together with a list of websites that will allow the reader to explore the opera further. Contains: A Historical Perspective, Rodolfo Celletti An Introduction to the 1881 Score, James Hepokoski Verdi and His Singers: The vocal character of the two versions of Simon Boccanegra in relation to the original casts, Desmond Shawe-Taylor A Performance and Reception History, George Hall Simon Boccanegra: Libretto by Francesco Maria Piave, with additions by Giuseppe Montanelli. Further additions and alterations for the revised version by Arrigo Boito Simon Boccanegra: English translation of the 1881 libretto by Lionel Salter Simon Boccanegra: English translation of the 1857 libretto by Emanuela Guastella [A Standard History of Lake County, Indiana, and the Calumet Region](#) William Frederick Howat 1915

Duty and Desire Pamela Aidan 2006-10-03

³There was little danger of encountering the Bennet sisters ever again.² Jane Austen's classic novel *Pride and Prejudice* is beloved by millions, but little is revealed in the book about the mysterious and handsome hero, Mr. Darcy. And so the question has long remained: Who is Fitzwilliam Darcy? Pamela Aidan's trilogy finally answers that long-standing question, creating a rich parallel story that follows Darcy as he meets and falls in love with Elizabeth Bennet. *Duty and Desire*, the second book in the trilogy, covers the "silent time" of Austen's novel, revealing Darcy's private struggle to overcome his attraction to Elizabeth while fulfilling his roles as landlord, master, brother, and friend. When Darcy pays a visit to an old classmate in Oxford in an attempt to shake Elizabeth from his mind, he is set upon by husband-hunting society ladies and ne'er-do-well friends from his university days, all with designs on him -- some for good and some for ill. He and his sartorial genius of a valet, Fletcher, must match wits with them all, but especially with the curious Lady Sylvania. Irresistibly authentic and entertaining, *Duty and Desire* remains true to the spirit and events of *Pride and Prejudice* while incorporating fascinating new characters, and is sure to dazzle Austen fans and newcomers alike.

Handbook of Eating and Drinking Herbert L. Meiselman 2020-05-22 Eating, including the provision of food and the consumption of food, is the biggest industry in the world, and a major contributor to our health, and to our enjoyment. This book on "Eating" is a unique and novel multi-disciplinary presentation of the whole breadth of research and discussion of the factors that impact eating, and reciprocally the factors that eating impacts. The purpose of this book is to familiarize readers with the areas of eating research and discussion with which they might

not be familiar. The multi-disciplinary approach includes the basic and applied sciences (including biology, ecology, nutrition, and food science, as well as important behavioral and social sciences (including history, development, culinary arts, food service, business and marketing). The book ends with a review of current trends and predictions of the future for multiple aspects of eating.

These Three Remain Pamela Aidan 2007-01-02
This thrilling conclusion to the Fitzwilliam Darcy, Gentleman trilogy recounts the climactic events of Jane Austen's *Pride and Prejudice* from its enigmatic hero's point of view. One of the most beloved romantic heroes in all of literature, Fitzwilliam Darcy remains an enigma even to Jane Austen's most devoted fans. But with this concluding volume in the Fitzwilliam Darcy, Gentleman trilogy, novelist and Austen aficionada Pamela Aidan at last gives readers the man in full. *These Three Remain* follows a humbled Darcy on the journey of self-discovery after Elizabeth Bennet's rejection of his marriage proposal, in which he endeavors to grow into the kind of gentleman he's always dreamed of being. Happily, a chance meeting with Elizabeth during a tour of his estate in Derbyshire offers Darcy a new opportunity to press his suit, but his newfound strengths are put to the test by an old nemesis, George Wickham. Vividly capturing the colorful historical and political milieu of the Regency era, Aidan writes in a style evocative of her literary progenitor, but with a wit and humor very much her own. While staying faithful to the people and events in Austen's original, she adds her own fascinating cast of characters, weaving a rich tapestry out of Darcy's past and present that will beguile his admirers anew.

Murder, She Wrote: A Slaying in Savannah

Jessica Fletcher 2008-09-30 The USA Today bestselling *Murder, She Wrote* series continues as Jessica Fletcher attempts to solve a million dollar mystery... Jessica is surprised to learn that her old friend, Tillie Mortelaine, has bequeathed Jessica one million dollars—as long as she solves a decades-old mystery. She must find out who murdered Tillie's fiancé, Wanamaker Jones, who'd been shot to death during a New Year's Eve party in Tillie's home. As instructed by Tillie's lawyer, Jessica arrives in Savannah and settles into Tillie's mansion. There she discovers that the spirit of Wanamaker Jones is still very much alive—and that there are those in Savannah looking to cash in on both Tillie's demise and Jessica's failure. Now, Jessica must uncover the ghosts of history—and deal with a few pesky spirits in the present—if she is to put the past to rest and solve a murder. Hopefully she won't wind up getting put to rest herself...
