Twenty-Four Memory Hymns and Their Stories Amos Wells

2020-01-14 "On the way to the Denver Christian Endeavor Convention, Mrs. F. E. Clark asked a large number of distinguished clergymen and eminent laymen that were upon the train, to prepare a list of what they considered the most beautiful and helpful Christian hymns. They did so,

and a large and exceedingly fine list was the result... It is hoped that they will be committed to memory by all Juniors, and it is suggested that one of these hymns be repeated in concert at every Junior meeting for a month. Let the pastor or superintendent tell the story of the hymn, and give an opportunity for those who can bring in additional stories to do so. "If we can add to our mind treasury the twenty-four leading hymns of the Christian church, what a splendid employment it will be! -- Rev. Amos Wells Amos Russel Wells (1862-1933) wrote and edited many Christian books. He graduated from and later served as Greek professor at Antioch College. He was the editor of the Christian Endeavor World, associate editor of Peloubet's Notes on the Sunday School Lessons, and member of the "International Sunday-School Lesson Committee". Prof. Wells wrote more than 63 books. place.asburyseminary.edu/firstfruits PREFACE For ten years it has been my pleasure to write articles on the leading hymns and hymn-writers for The Christian Endeavor World, one a month. These hymns were suggested as memory hymns for the Christian Endeavor societies, the hymns to be sung from memory in the meetings, and the facts regarding their writers to be stated to the young people. The considerable amount of hymn lore thus collected is here presented in permanent form for the use of pastors, church workers, young people's societies, and all lovers of hymns. No claim is made to originality; only a few of these chapters consist of material here presented for the first time; most of the book is collected from a large number of volumes. The usefulness of the book will spring from the wide range of hymn literature which has been examined, the most interesting and inspiring facts being collated for this volume. A knowledge of the authors of our hymns, and of the stirring incidents connected with the use of them, cannot fail to make the hymns more precious to every Christian. The one hundred and twenty hymn-writers here treated include the greatest of these poets, and many of the lesser writers. In each case all their most important hymns are named, while one hymn, usually the most famous and beloved, is selected for printing in full. I can have no happier wish for this book than that it may bring the same pleasure and profit to its readers that the writing of it has brought to me. AMOS R. WELLS. Boston, Mass.

Whispers of Cruel Wrongs Mary Maillard 2017-05-09 Harriet Jacobs's famous autobiography, *Incidents in the Life of a Slave Girl*, includes her heartbreaking account of parting with her young daughter, Louisa, who had been taken away to the North by her white father. Here, Mary Maillard follows the thread of the Jacobs family lineage by revealing the communications of Louisa Jacobs and her close friends in more than

seventy previously unidentified letters. In this annotated correspondence, new voices call out from the lost world of nineteenth-century African American women who persevered despite difficult family obligations and the racial strife that marked the post-Reconstruction era. **A Treasure of Hymns** Amos R (Amos Russel) 1862-1933 Wells 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
