Cranford Illustrated Elizabeth Cleghorn Gaskell 2020-08-25 Cranford is one of the better-known novels of the 19th-century English writer Elizabeth Gaskell. It was first published, irregularly, in eight instalments, between December 1851 and May 1853, in the magazine Household Words, which was edited by Charles Dickens. It was then published, with minor revision, in book form in 1853

Elizabeth Cleghorn Gaskell - North and South Elizabeth Cleghorn Gaskell 2016-10-11 North and South is a novel by Elizabeth Gaskell, first published in book form in 1855 originally appeared as a twenty-two-part weekly serial from September 1854 through January 1855 in the magazine Household Words, edited by Charles Dickens. The title indicates a major theme of the book: the contrast between the way of life in the industrial north of England and the wealthier south, although it was only under pressure from her publishers that Gaskell changed the title from its original, Margaret Hale. The book is a social novel that tries to show the industrial North and its conflicts in the mid-19th century as seen by an outsider, a socially sensitive lady from the South. The heroine of the story, Margaret Hale, is the daughter of a Nonconformist minister who moves to the fictional industrial town of Milton after leaving the Church of England. The town is modeled after Manchester, where Gaskell lived as the wife of a Unitarian minister. Gaskell herself worked among the poor and knew at first hand the misery of the industrial areas. The change of lifestyle shocks Margaret, who sympathizes deeply with the poverty of the workers and comes into conflict with John Thornton, the owner of a local mill, also a friend of her father. After an encounter with a group of strikers, in which Margaret attempts to protect Thornton from the violence, he proposes to her, telling her that he is in love with her; she rejects his proposal of marriage, mainly because she sees it as if it were out of obligation for what she had done. Later, he sees her with her fugitive brother, whom he mistakes for another suitor, and this creates further unresolved conflict. Margaret, once she believes she has lost his affection, begins to see him in another light, and eventually they are reunited.

North and South by Elizabeth Gaskell Illustrated Elizabeth Cleghorn Gaskell 2022-01-04 North and South is a social novel published in 1854 by English writer Elizabeth Gaskell. With Wives and Daughters (1865) and Cranford (1853), it is one of her best-known novels and was adapted for television three times (1966, 1975 and 2004). The 2004 version renewed interest in the novel and attracted a wider readership. Gaskell's first novel, Mary Barton (1848), focused on relations between employers and workers in Manchester from the perspective of the working poor; North and South uses a protagonist from southern England to present and comment on the perspectives of mill owners and workers in an industrializing city. The novel is set in the fictional industrial town of Milton in the north of England. Forced to leave her home in the tranquil, rural south, Margaret Hale settles with her parents in Milton. She witnesses the brutal world wreaked by the Industrial Revolution, seeing employers and workers clashing in the first strikes. Sympathetic to the poor (whose courage and tenacity she admires and among whom she makes friends), she clashes with John Thornton: a nouveau riche cotton-mill owner who is contemptuous of his workers. The novel traces her growing understanding of the complexity of labour relations and their influence on well-meaning mill owners and her conflicted relationship with John Thornton. Gaskell based her depiction of Milton on Manchester, where she lived as the wife of a Unitarian minister.

North and South Elizabeth Gaskell 2018-05-02 North and South by Elizabeth Gaskell. North and South is a social novel by English writer Elizabeth Gaskell. With Wives and Daughters (1865) and Cranford (1853), it is one of her best-known novels. First published in serial form in Household Words in 1854-1855 and in volume form in 1855. Nineteen-year-old Margaret Hale happily returns home from London to the idyllic southern village of Helstone after her cousin Edith marries Captain Lennox. She lived for almost 10 years in the city with Edith and wealthy Aunt Shaw to learn to be a young lady. Margaret has refused an offer of marriage from the captain's brother, Henry, an up-and-coming barrister. Her life is turned upside down when her father, the local pastor, leaves the Church of England and the rectory of Helstone as a matter of conscience; his intellectual honesty has made him a dissenter. At the suggestion of Mr. Bell, his old friend from Oxford, he settles with his wife and daughter in Milton-Northern (where Mr. Bell was born and owns property). The industrial town in Darkshire (a textile-producing region) manufactures cotton and is in the middle of the Industrial Revolution; masters and workers are clashing in the first organised strikes.

Her novels offer a detailed portrait of the lives of many strata of Victorian society, including the very poor, and are of interest to social historians as well as lovers of literature. Her first novel, *Mary Barton*, was published in 1848. Gaskell's *The Life of Charlotte Brontë*, published in 1857, was the first biography of Brontë. In this biography, she only wrote of the moral, sophisticated things in Brontë's life, the rest she left out, deciding that certain, more salacious aspects were better kept hidden. Among Gaskell's best known novels are *Cranford* (1851-53), *North and South* (1854-55), and *Wives and Daughters* (1865), each having been adapted for television by the BBC.

A Dark Night's Work Elizabeth Cleghorn Gaskell 1863 *A Dark Night's Work* is an 1863 novel by Elizabeth Gaskell. It was first published serially in Charles Dickens's magazine *All the Year Round*. The word "dark" was added to the original title by Dickens against Gaskell's wishes. Dickens felt that the altered title would be more striking. The story centers on a country lawyer, Edward Wilkins, and his daughter Ellinor. Edward has an artistic and literary personality, unsuited to his social position as the son of a successful lawyer who takes over his father's practice in the provincial town of Hamley. His legal representation of the local gentry and nobility leads him to try fitting into their social circles, only to be mocked and treated with derision. He develops a drinking problem and spends more money than he can afford to in his attempts to be an equal to his clients. His bad habits lead to problems in his business, and Edward is forced to take on a junior partner named Mr. Dunster. At the same time, Ellinor becomes engaged to a young upcoming country gentleman named Ralph Corbet. Corbet initiates the engagement partly through love of Ellinor and partly because of a promise of money from Edward. Edward continues to drink and overspend, leading to a confrontation with Mr. Dunster. In the heat of the argument, Edward strikes Mr. Dunster, killing him. Ellinor and a family servant named Dixon help Edward to bury the body in their flower garden. Ellinor soon tells Ralph that a possible disgrace hangs over her. Ralph questions Edward about this, and Edward insults him in a drunken tirade. Ralph dissolves his engagement to Ellinor because of this, and because he regrets forming an engagement to someone who offers no opportunity of helping him advance in society. He later marries into the nobility and becomes a judge. Edward drinks himself to death and Ellinor moves to a distant town, East Chester, after the Wilkins's home Ford Bank is rented out in order to provide Ellinor with a living. Dixon remains as a servant to watch over the home and property where the body is buried. The secret goes unknown for about 15 years until the body is dug up during the construction of a railroad. Dixon is arrested for the murder and later convicted by Ralph, who acts as the judge in the case. Ellinor then tells Ralph the truth, and Dixon is pardoned. She returns to East Chester and marries a local clergyman, Canon Livingstone, who she had known in her youth, and has two children with him. (wikipedia.org)

North and South Elizabeth Gaskell Elizabeth Cleghorn Gaskell 2021-02-08 *North and South* is a wonderful blend of social comment on the dramatic changes in society brought about by the industrial revolution and a compelling love story. Written from the author's first-hand experience, the novel follows the story of Margaret Hope, the young heroine, in her move from the tranquil setting in rural southern

England to the raw and turbulent northern town of Milton. Margaret takes an instant dislike to her new home and its people. She hates the dirt, noise and lack of civilisation. Her distaste extends to handsome and charismatic cotton mill owner John Thornton whom she believes epitomises everything unpleasant about the North. However, as Margaret gradually begins to settle in Milton, she learns about the poverty and workplace struggles. As events conspire to throw Margaret and Thornton together, the two spirited characters have to overcome their repressed physical attraction for one another and conquer prejudices of class and circumstance. The passion and the history embedded in this narrative is as appealing and engrossing today as when it was first published."

North and South (□□□) Elizabeth Cleghorn Gaskell 2011-10-15 This richly textured novel of romance and class conflict explores the dichotomies between the pastoral South and industrial North during England's mid-Victorian era. Praised by Dickens as "an admirable story," this is a turbulent tale of a woman torn between her sympathy for discontented millworkers and her love for the factory's owner.

North and South Elizabeth Gaskell 2021-10-09 "North and South" is a social novel by English writer Elizabeth Cleghorn Gaskell, written at the request of Charles Dickens and published anonymously in serial form in *Household Words* from 1854 to 1855 and in book form in 1855. With "Wives and Daughters" (1865) and "Cranford" (1853), it is one of her best-known novels and was adapted for television three times This story of the contrast between the values of rural southern England and the industrial north has a psychological complexity that anticipates George Eliot's novels of provincial life. In "North and South", Elizabeth Gaskell skillfully fuses individual feeling with social concern, and in Margaret Hale creates one of the most original heroines of Victorian literature. Synopsis When her father leaves the Church in a crisis of conscience, Margaret Hale is uprooted from her comfortable home in Hampshire to move with her family to the north of England. Initially repulsed by the ugliness of her new surroundings in the industrial town of Milton, Margaret becomes aware of the poverty and suffering of the local mill workers and develops a passionate sense of social justice. This is intensified by her tempestuous relationship with the mill-owner and self-made man, John Thornton, as their fierce opposition over his treatment of his employees masks a deeper attraction.

North and South Elizabeth Cleghorn Gaskell 1970-01 A revolutionary social and political commentary, *North and South* solidified Gaskell's place in the company of Victorian England's finest novelists.

Gothic Tales Elizabeth Gaskell 2001-02-01 "'The curse—the curse!' I looked up in terror. In the great mirror opposite I saw myself, and right behind, another wicked, fearful self' An encounter with the supernatural in an everyday setting accentuates its strangeness; a truth used to eerie effect in Gaskell's Gothic tales. A portrait turned to the wall, a hidden manuscript, a mysterious child that lives on the freezing moors, a doppelganger formed by a woman's bitter curse: all of these things hint at male tyranny and woman as avenging angel—or devil. Gaskell was fascinated by the dualities in women's lives and the way in which fact and fiction merge. 'Disappearances', a mix of gossip, legend and fact, relates stories of mysterious vanishings, 'Lois the Witch', based on an account of the Salem witch hunts, shows how sexual desire and jealousy lead to communal hysteria and persecution, while 'The Grey Woman' explores a common Gothic theme, the way in which the ghosts of the past always return to haunt us. This edition includes an introduction, chronology, explanatory notes and an appendix giving a reader's response to 'Disappearances'.

North and South Elizabeth Gaskell 2011 The Penguin English Library edition of *North and South* by Elizabeth Gaskell 'How am I to dress up in my finery, and go off and away to smart parties, after the sorrow I have seen today?' Elizabeth Gaskell's compassionate, richly dramatic novel features one of the most original and fully-rounded female characters in Victorian fiction, Margaret Hale. It shows how, forced to move from the country to an industrial northern town, she develops a passionate sense of social justice, and a turbulent relationship with mill-owner John Thornton. *North and South* depicts a young woman discovering herself, in a nuanced portrayal of what divides people, and what brings them together. Wives and Daughters Elizabeth Cleghorn Gaskell 1864

North and South by Elizabeth Cleghorn Gaskell: Illustrated Edition

Elizabeth Cleghorn Gaskell 2021-08-12 English writer Elizabeth Cleghorn Gaskell's novel North and South first appeared in serialized form, consisting of twenty installments in 1854 and 1855 published in the periodical Household Words, which was edited by perhaps the ultimate practitioner of serialized fiction, Charles Dickens. North and South takes place in the fictional northern England town Milton, likely based on Manchester where Gaskell lived. Milton is an industrial town in which the main character Margaret Hale and her parents settle after leaving their home in the south. In Milton, Margaret experiences the harsh reality of the Industrial Revolution, including strikes and conflicts between workers and owners. The title of the book refers to the divide that existed between the rural life of southern England where the landed gentry lived and the workers toiled in agriculture, and the industrialized north with its factory owners and downtrodden mill workers. Margaret Hale is nineteen years old as the story opens. She returns to her southern English village Helstone from London after the marriage of Edith, her cousin, and Captain Lennox. Margaret had spent the previous ten years living with Edith and her well-to-do mother, Aunt Shaw, to learn the social graces. The captain's brother Henry, a barrister, asked Margaret to marry him, but she turned him down. Meanwhile, Margaret's father, the local pastor of the Church of England, becomes a dissenter as a result of his intellectual honesty and decides to leave Helstone. His friend, Mr. Bell, suggests that he move to Milton, an industrial town in Darkshire where owners and workers in the textile industry are in conflict, and the first organized labor strikes are taking place.

North and South by Elizabeth Cleghorn Gaskell Elizabeth Cleghorn Gaskell 2018-04-03 North and South by Elizabeth Cleghorn Gaskell North and South: Original Classics and Annotated Elizabeth Cleghorn Gaskell 2021-04-21 A younger version of Daddy Warbucks meets the female version of Eugene Debs, and mayhem (and love) ensues. An uptight girl meets a working-class boy who's made his fortune, and mayhem (and love) ensues. Two way different stories, right? Wrong. These seemingly polar opposite scenarios both describe what happens in North and South when Southern (southern England, that is) belle Margaret Hale encounters Northern self-made man John Thornton. Three hundred pages, multiple deaths and some fierce social commentary later, they realize that okay, yes they do like-like each other. Let's get back to that "fierce social commentary" part. Because if anyone deserves to be called fierce, it's Elizabeth Gaskell. When it was first published in 1854, North and South was met with some pretty harsh criticism. Its editor, the super famous Charles Dickens, said the story was way longer than it needed to be. But more criticism was directed at the fact that Elizabeth Gaskell (a woman!) dared to write sympathetically about the rights of English workers. Even right up until the 1930s, critics' main view of Elizabeth Gaskell was that she "makes a creditable effort to overcome her deficiencies [as a woman] but all in vain". Yeesh. Sexist much? North and South is all about challenging authority, especially when authority tries to work against compassion and justice. Margaret Hale constantly steps beyond her boundaries as a woman in Victorian England. Her brother challenges authority by disobeying his commanding officer in the navy and causing a mutiny. The laborer Nicholas Higgins organizes workers' strikes and insists on the rights of workingmen. Anywhere you look in this book, you'll find someone fighting the power. And that was something that the stuffy Victorians were really not into. And because of this, they totally thought that North and South would be forgotten over time. But more than a century and a half later, North and South is anything but forgotten. It endures because of its class-consciousness and its interest in labor issues. It also endures because of its insane family drama, a cast of memorable characters, and an awesome, Pride and Prejudice-style romance. North and South been adapted twice as a miniseries, the first time with Patrick Stewart (!) playing the role of John Thornton. Hey, when Jean Luc-Picard is on board, so are we.
