

A Tale Of Two Lesbians Lucy Blake

The Enigmatic Realm of **A Tale Of Two Lesbians Lucy Blake**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **A Tale Of Two Lesbians Lucy Blake** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.

Gender Linda L. Lindsey 2020-12-17 A landmark publication in the social sciences, Linda Lindsey's *Gender* is the most comprehensive textbook to explore gender sociologically, as a critical and fundamental dimension of a person's identity, interactions, development, and role and status in society. Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society, the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race, ethnicity, culture, sexuality, class and religion. Arriving at a time of enormous social change, the new, seventh edition extends its rigorous, theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result. Recent and emerging topics that are investigated include the #MeToo and LGBTQ-rights movements, political misogyny in the Trump era, norms of masculinity, marriage and family formation, resurgent feminist activism and praxis, the gendered workplace, and profound consequences of neoliberal globalization. Enriching its sociological approach with interdisciplinary insight from feminist, biological, psychological, historical, and anthropological perspectives, the new edition of *Gender* provides a balanced and broad approach with readable, dynamic content that furthers

student understanding, both of the importance of gender and how it shapes individual trajectories and social processes in the U.S. and across the globe.

The New Kinship Naomi R. Cahn 2013-01-07 No federal law in the United States requires that egg or sperm donors or recipients exchange any information with the offspring that result from the donation. Donors typically enter into contracts with fertility clinics or sperm banks which promise them anonymity. The parents may know the donor's hair color, height, IQ, college, and profession; they may even have heard the donor's voice. But they don't know the donor's name, medical history, or other information that might play a key role in a child's development. And, until recently, donor-conceived offspring typically didn't know that one of their biological parents was a donor. But the secrecy surrounding the use of donor eggs and sperm is changing. And as it does, increasing numbers of parents and donor-conceived offspring are searching for others who share the same biological heritage. When donors, recipients, and "donor kids" find each other, they create new forms of families that exist outside of the law. *The New Kinship* details how families are made and how bonds are created between families in the brave new world of reproductive technology. Naomi Cahn, a nationally-recognized expert on reproductive technology and the law, shows how these new kinship bonds dramatically exemplify the ongoing cultural change in how we think about family. The issues Cahn explores in this book will

resonate with anyone—and everyone—who has struggled with questions of how to define themselves in connection with their own biological, legal, or social families.

The Girl in His Shadow Audrey Blake 2021-05-04
THE USA TODAY BESTSELLER! "An exquisitely detailed journey through the harrowing field of medicine in mid-19th century London."—Tracey Enerson Wood, USA Today bestselling author of *The Engineer's Wife* and *The War Nurse* An unforgettable historical fiction novel about one woman who believed in scientific medicine before the world believed in her. London, 1845: Raised by the eccentric surgeon Dr. Horace Croft after losing her parents to a deadly pandemic, the orphan Nora Beady knows little about conventional life. While other young ladies were raised to busy themselves with needlework and watercolors, Nora was trained to perfect her suturing and anatomical illustrations of dissections. Women face dire consequences if caught practicing medicine, but in Croft's private clinic Nora is his most trusted—and secret—assistant. That is until the new surgical resident Dr. Daniel Gibson arrives. Dr. Gibson has no idea that Horace's bright and quiet young ward is a surgeon more qualified and ingenuitive than even himself. In order to protect Dr. Croft and his practice from scandal and collapse Nora must learn to play a new and uncomfortable role—that of a proper young lady. But pretense has its limits. Nora cannot turn away and ignore the suffering of patients, even if it means giving Gibson the power to ruin everything she's worked for. And when she makes a discovery that could change the field forever, Nora faces an impossible choice. Remain invisible and let the men around her take credit for her work, or step into the light—even if it means being destroyed by her own legacy. Fans of *The Other Einstein* and *The Paris Library* will relish this riveting and empowering story about one woman's fight to follow her dreams and build a life—and legacy—beyond what is expected of her. Praise for *The Girl in His Shadow*: "A suspenseful story of a courageous young woman determined to become a surgeon in repressive Victorian England. Fluidly written, impeccably researched, *The Girl in His Shadow* is a memorable literary gift to be read, reread, and treasured."—Gloria Goldreich, author of *The*

A Tale of Two Lesbians Lucy Blake 2015-08-12
LOVE can Touch us one Time, and last for a LIFETIME, and never let go till we're gone! Lucy Winters was an orphan since her parents passed away the year before in an Airplane Disaster. Being the only child, she took possession of the family home in San Francisco and inherited a small fortune. She lived all alone and was attending college, with the intention to pursue a career as a gynecologist. At the young age of twenty-one, Lucy was stunning! About five and a half feet tall, fair skin, big well-rounded breasts and a magnificent set of buttocks to match, she raised eyebrows from every single male she passed. Lucy was the idol among the college lesbians, who had wild fantasies over her. They knew that she would never make it to their territory; the boys, those hungry wolves would devour her some day. Loneliness was a bitch, and staying alone in that huge, empty house was making her miserable. A couple of months ago, Lucy had registered at an online portal to volunteer to accommodate a foreign college student at her house for free. This service was designed to help foreign students who were not well off, to get educated in the United States, by providing them with free accommodation. And when the application finally came, it was from a girl who stated that she was a LESBIAN! This girl was straightforward in revealing herself. Such a person could be trusted, and this was Lucy's conviction. Whatever the outcome, one thing was for sure - she wouldn't be bringing any boys home! Read and find out what plan Destiny has for this Lesbian student. Coming from another land and culture, will her 'American Dream turn out to be sweet or sour?

Magazine Detroit Society for Genealogical Research 2004

3 Books To Know Gay Literature Oscar Wilde 2020-05-02 Welcome to the 3 Books To Know series, our idea is to help readers learn

about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is: Gay Literature. - *The Picture of Dorian Gray* by Oscar Wilde. - *Bertram Cope's Year* by Henry Blake Fuller. - *Joseph and His Friend* by Bayard Taylor. *The Picture of Dorian Gray* is a Gothic and philosophical novel by Oscar Wilde, first published complete in the July 1890 issue of Lippincott's Monthly Magazine. Fearing the story was indecent, the magazine's editor deleted roughly five hundred words before publication without Wilde's knowledge. Despite that censorship, *The Picture of Dorian Gray* offended the moral sensibilities of British book reviewers, some of whom said that Oscar Wilde merited prosecution for violating the laws guarding public morality. *Bertram Cope's Year* is a 1919 novel by Henry Blake Fuller, sometimes called the first American homosexual novel. The story is set on the campus of a university in fictional Churchton, Illinois, modeled on Northwestern University in Evanston, Illinois, where Bertram Cope, an attractive young English instructor, is spending a year completing his thesis. While he has a certain sophistication, he is socially unaware, easily impressed by the wealthy and their comforts. Lacking confidence, Cope is too careful and self-conscious as he tries to find his place in local society. *Joseph and His Friend: A Story of Pennsylvania* is an 1870 novel by American author Bayard Taylor, a prolific writer in many genres. It presented a special attachment between two men and discussed the nature and significance of such a relationship, romantic but not sexual. Critics are divided in interpreting Taylor's novel as a political argument for gay relationships or an idealization of male spirituality. This is one of many books in the series 3 Books To Know. If you liked this book, look for the other titles in the series, we are sure you will like some of the topics. *The Hot Climate of Promises and Grace* Steven Nightingale 2016-09-19 With these short stories, deeply indebted to Sufi Tales and Jataka stories (as well as to the Brothers Grimm and American folktales), Steven Nightingale offers testimonies of revelation, mischief, miracles, and grace given

him by sixty-four remarkable women who've appeared in his life over time. These delightful pieces combine humor and sensuality with surrealism and an oblique spirituality, and each becomes an opportunity of gentle instruction, invention, and entertainment. The book describes a spiritual pilgrimage, beautifully written, a unique offering from this wonderful writer.

The Guest Book Sarah Blake 2019-05-07

Instant New York Times Bestseller Longlisted for Andrew Carnegie Medal for Excellence 2020 New England Society Book Award Winner for Fiction "The Guest Book is monumental in a way that few novels dare attempt." —The Washington Post The thought-provoking new novel by New York Times bestselling author Sarah Blake An exquisitely written, poignant family saga that illuminates the great divide, the gulf that separates the rich and poor, black and white, Protestant and Jew. Spanning three generations, *The Guest Book* deftly examines the life and legacy of one unforgettable family as they navigate the evolving social and political landscape from Crockett's Island, their family retreat off the coast of Maine. Blake masterfully lays bare the memories and mistakes each generation makes while coming to terms with what it means to inherit the past.

She Say, He Say Brett Elizabeth Blake Examines public and private writings of low-income, urban, pre-adolescent girls, illuminating ways that girls' voices are often silenced in schools and society.

Naamah Sarah Blake 2020-04-07 "A dreamy and transgressive feminist retelling of the Great Flood from the perspective of Noah's wife as she wrestles with the mysterious metaphysics of womanhood at the end of the world." —O, The Oprah Magazine With the coming of the Great Flood—the mother of all disasters—only one family was spared, drifting on an endless sea, waiting for the waters to subside. We know the story of Noah, moved by divine vision to launch their escape. Now, in a work of astounding invention, acclaimed writer Sarah Blake reclaims the story of his wife, Naamah, the

matriarch who kept them alive. Here is the woman torn between faith and fury, lending her strength to her sons and their wives, caring for an unruly menagerie of restless creatures, silently mourning the lover she left behind. Here is the woman escaping into the unreceded waters, where a seductive angel tempts her to join a strange and haunted world. Here is the woman tormented by dreams and questions of her own—questions of service and self-determination, of history and memory, of the kindness or cruelty of fate. In fresh and modern language, Blake revisits the story of the Ark that rescued life on earth, and rediscovers the agonizing burdens endured by the woman at the heart of the story. Naamah is a parable for our time: a provocative fable of body, spirit, and resilience.

Shadow Daughter Harriet Brown 2018-11-06 A riveting, provocative, and ultimately hopeful exploration of mother-daughter estrangement, woven with research and anecdotes, from an award-winning journalist. The day of her mother's funeral, Harriet Brown was five thousand miles away. To say that Harriet and her mother had a difficult relationship is a wild understatement; the older Harriet grew, the more estranged they became. By the time Harriet's mom died at age 76, they were out of contact. Yet Harriet felt her death deeply, embarking on an exploration of what family estrangement means--to those who cut off contact, to those who are estranged, to the friends and family members who are on the sidelines. *Shadow Daughter* tackles a subject we rarely discuss as a culture: family estrangements, especially those between parents and adult children. Estrangements--between parents and children, siblings, multiple generations--are surprisingly common, and even families that aren't officially estranged often have some experience of deep conflicts. Estrangement is an issue that touches most people, one way or another, one that's still shrouded in secrecy, stigma, and shame. In addition to her personal narrative, Harriet employs interviews with others who are estranged, as well as the most recent research on family estrangement, for a brave exploration of this taboo topic. Ultimately, *Shadow Daughter* is a thoughtful, deeply researched, and

provocative exploration of the ties that bind and break, forgiveness, reconciliation, and what family really means.

The Atlas Paradox Sneak Peek Olivie Blake 2022-08-16 The Atlas Paradox is the long-awaited sequel to Olivie Blake's New York Times bestselling dark academic sensation The Atlas Six—guaranteed to have even more yearning, backstabbing, betrayal, and chaos. Download a FREE sneak peek today! Six magicians were presented with the opportunity of a lifetime. Five are now members of the Society. Two paths lay before them. All must pick a side. Alliances will be tested, hearts will be broken, and The Society of Alexandrians will be revealed for what it is: a secret society with raw, world-changing power, headed by a man whose plans to change life as we know it are already under way. "The Atlas Six introduced six of the most devious, talented, and flawed characters to ever find themselves in a magical library, and then sets them against one another in a series of stunning betrayals and reversals. As much a delicious contest of wit, will, and passion as it is of magic...half mystery, half puzzle, and wholly a delight."—New York Times bestselling author Holly Black At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Notable American Women, 1607-1950 Radcliffe College 1971 Contains biographical sketches of women whose achievements have contributed to the nation's history

A Room with a View E. M. Forster 2017-06-14 A Room with a View is a novel by English writer E. M. Forster, about a young woman in the restrained culture of Edwardian era England. Set in Italy and England, the story is both a

romance and a critique of English society at the beginning of the 20th century. Merchant-Ivory produced an award-winning film adaptation in 1985. The Modern Library ranked A Room with a View 79th on its list of the 100 best English-language novels of the 20th century (1998). The first part of the novel is set in Florence, Italy, and describes a young English woman's first visit to Florence, at a time when upper middle class English women were starting to lead independent, adventurous lives. Lucy Honeychurch is touring Italy with her overbearing older cousin and chaperone, Charlotte Bartlett, and the novel opens with their complaints about the hotel, "The Pension Bertolini." Their primary concern is that although rooms with a view of the River Arno have been promised for each of them, their rooms instead look over a courtyard. A Mr. Emerson interrupts their "peevish wrangling," offering to swap rooms as he and his son, George Emerson, look over the Arno. This behaviour causes Miss Bartlett some consternation, as it appears impolite. Without letting Lucy speak, Miss Bartlett refuses the offer, looking down on the Emersons because of their unconventional behaviour and thinking it would place her under an "unseemly obligation" towards them. However, another guest at the pension, an Anglican clergyman named Mr. Beebe, persuades the pair to accept the offer, assuring Miss Bartlett that Mr. Emerson only meant to be kind. In some editions, an appendix to the novel is given entitled "A View without a Room," written by Forster in 1958 as to what occurred between Lucy and George after the events of the novel. It is Forster's afterthought of the novel, and he quite clearly states that "I cannot think where George and Lucy live." They were quite comfortable up until the end of World War I, with Charlotte Bartlett leaving them all her money in her will, but the war ruined their happiness according to Forster. George became a conscientious objector, lost his government job but was given non-combatant duties to avoid prison, leaving Mrs Honeychurch deeply upset with her son-in-law. Mr Emerson died during the course of the war, shortly after having an argument with the police about Lucy continuing to play Beethoven (a German composer) on the piano during the war. Eventually they had three

children, two girls and a boy, and moved to Carshalton from Highgate to find a home. Despite their wanting to move into Windy Corner after the death of Mrs Honeychurch, Freddy sold the house to support his family as he was "an unsuccessful but prolific doctor."

Descendants of Waverley Martha F. Bowden 2016-08-11 *Descendants of Waverley* examines contemporary novelists' combination of historical authority and narrative art to create authentic and accessible depictions of the past. This technique, the "romance of history," challenges conventional theories that the novel as a genre erased the romance. Individual chapters establish the critical framework, analyze the strategies that authors use to romance history, and demonstrate the subgenres that exist in current historical fiction. While the author does not consider Walter Scott to be the inventor of historical fiction, she demonstrates the ways in which contemporary fiction's techniques reflect the form of the genre that Scott both developed and theorized in the *Waverley* novels (1814–1832). In writing his "historical romances," Scott drew on the forms of the fictions that preceded his work, especially Gothic fiction, and was influenced by the fluid definitions of "romance" that permeated the theorizing of the novel and its development in the eighteenth century, where fiction was described as evolving from and replacing romances and referred to as "romances" themselves. She begins by tracing this history and moves on to discuss contemporary fiction, both as technique, in the uses of intertextuality, and in as form, in the increasing hybridity of contemporary fiction. This hybridity is reflected in such forms as the historical detective novel, the embedded narrative, and the biographical novel; the pedagogical elements inherent in the historical novel before Scott's oeuvre continue into the present. The book ends with the recent phenomenon of historical fantasy; in this subgenre, the traits of more conventional historical fiction, such as intertextuality and the tension between the familiar and strange, combine with a playful form of fantasy that releases revenants among the Luddites and wizards into the Battle of Waterloo. John Frow's theory of the slipperiness of genre is a critical component for explicating the most recent

metamorphoses of historical fiction. The critical framework also develops from recent and eighteenth-century histories of the novel, twentieth- and twenty-first-century theories of Scott's influence, and contemporary writers' own reflections on what they do when they write historical novels.

The Atlas Six Olivie Blake 2021-09-28 The much-acclaimed BookTok sensation, Olivie Blake's *The Atlas Six*--now newly revised and edited with additional content. • The tag #theatlassix has millions of views on TikTok • A dark academic debut fantasy with an established cult following that reads like *THE SECRET HISTORY* meets *THE UMBRELLA ACADEMY* • The first in an explosive trilogy *The Alexandrian Society*, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation. Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications. When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they can prove themselves to be the best among their rivals, most of them will. Most of them. At the

Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Royal Rebels And After Hours Collection

Olivia Gates 2021-09-02 A fabulous double collection of seductive romances from Mills and Boon

Medusa, and Other Tales Adelaide Kemble Sartoris 1899

The Moth Diaries Rachel Klein 2003-07-29 Lucy and Ernessa have become inseparable. Ernessa's taken her over. She's consuming her. What I saw wasn't real. And I know it wasn't a dream. Ernessa is a vampire. At an exclusive girls' boarding school, a sixteen-year-old girl records her most intimate thoughts in a diary. The object of her growing obsession is her roommate, Lucy Blake, and Lucy's friendship with their new and disturbing classmate. Ernessa is an enigmatic, moody presence with pale skin and hypnotic eyes. Around her swirl dark rumors, suspicions, and secrets as well as a series of ominous disasters. As fear spreads through the school and Lucy isn't Lucy anymore, fantasy and reality mingle until what is true and what is dreamed bleed together into a waking nightmare that evokes with gothic menace the anxieties, lusts, and fears of adolescence. And at the center of the diary is the question that haunts all who read it: Is Ernessa really a vampire? Or has the narrator trapped herself in the fevered world of her own imagining?

Who's Who in the World, 1912 1911

North to Boston Blake Gumprecht 2023 "This book tells the life histories of ten Black people who moved to Boston from the South during the Great Migration. Between World War II and 1980, tens of thousands of Black southerners moved to Boston, transforming the city. But almost nothing has been written about the Great Migration's impacts on Boston. This book will explore that subject through the life histories of ten individuals who moved to the city between 1943 and 1969. Each is the focus of one chapter. Their stories bring to life the history of the Great Migration and show its impact on individuals. They reveal a hidden aspect of Boston's history and shine a spotlight on a singularly important event in the making of Black Boston. They also provide a rare glimpse into the lives of ordinary people living in one city's Black community"--

Stephens 2018-03-01 Escape to far off places and discover romance...

Here to Stay (Where Love Begins Book #2)

Melissa Tagg 2014-04-29 "Melissa Tagg follows up her debut novel with a stellar sophomore read. With her charming wit and engaging prose, Tagg pens a story of hope in God's dreams for us and ties it all together with sigh-worthy romance. Truly a book and author not to be missed." ~Rachel Hauck, award-winning, bestselling author of *The Wedding Dress* and *Princess Ever After* After playing nomad for five years, Blake Hunziker has finally had enough of adventure. Not sure what reception he'll get from everyone back in Whisper Shore, he's stunned at not only a warm welcome from his hometown but also a job offer. The job is his if he can successfully pull off the annual Christmas Festival. If only he knew the first thing about coordinating events... If there's one thing Autumn Kingsley knows, it's Whisper Shore. For years, she's been stuck running her family's inn when all she wants is to see the world. Now she has a visit scheduled from a potential investor who could take over the inn, as well as a dream job offer in Paris. But with just two weeks to whip the inn into shape, her chance at escape is a long shot. The Hunzikers and the Kingsleys may not get along, but Blake knows Autumn's the only one who can help him. She agrees to a trade--she'll help with the Festival and he'll help with inn repairs. But what was meant to be a simple deal quickly becomes much more than that when the guy who's done running away joins forces with the girl who can't wait to leave.

Season of Shadows Mary Mackey 1991 The story of two girls who meet at Radcliffe in the sixties and their lives through the eighties.

Women and Science, 17th Century to Present Véronique Molinari 2011-05-25 If women's interest and participation in the advancement of science has a long history, the academic study of their contributions is a far more recent phenomenon, to be placed in the wake of "second wave" feminism in the 1970s and the advent of women's studies which have, since then, given impetus to research on female figures in specific fields or, more generally speaking, on women's battles to gain access to knowledge, education and recognition in the

scientific world. These studies—while providing a useful insight into the contributions of a few more or less well-known figures—have mostly focused, however, on the obstacles that women have had to overcome in the field of education and employment or in their quest for acknowledgement by their male peers. The aim of this volume is to try and approach the issue from a different and more comprehensive point of view, taking into account not only the position of women in science, but also the link between women and science through the analysis of various kinds of discourse and representation such as the press, poetry, fiction, biographies and autobiographies or professional journals—including that of women themselves. The questions of the presentation or re(-)presentation of science by women are thus at the core of this study, as well as that of the portrayal and self-portrayal of women in the sciences (whether in the educational, or the professional field). A final part examines how women are represented in science fiction which, like science itself, has traditionally been a field dominated by men.

Lesbian Shorts Carla Blake 2012 This collection of six sapphic short stories explores some of the many sides of lesbian loving and is sure to suit all tastes! Written by erotic author Carla Blake, this version has been specially formatted for today's e-readers. Stories include: Coming Clean: - Emma treats her girlfriend Jo to a sensual bath, but sometimes the bath is definitely not the place to get clean. Random Families Rosanna Hertz 2018-11-07 The ready availability of donated sperm and eggs has made possible an entirely new form of family. Children of the same donor and their families, with the help of the internet, can now locate each other and make contact. Sometimes this

network of families form meaningful connections that blossom into longstanding groups, and close friendships. This book is about unprecedented families that have grown up at the intersection of new reproductive technologies, social media and the human desire for belonging. *Random Families* asks: Do shared genes make you a family? What do couples do when they discover that their children shares half their DNA with a dozen or more other offspring from the same sperm donor? What do kids find in common with their donor siblings? What becomes of these chance networks once parents and donor siblings find one another? Based on over 350 interviews with children (ages 10-28) and their parents from all over the U.S., *Random Families* chronicles the chain of choices that couples and single mothers make from what donor to use to how to participate (or not) in donor sibling networks. Children reveal their understanding of a donor, the donor's spot on the family tree and the meaning of their donor siblings. Through rich first-person accounts of network membership, the book illustrates how these extraordinary relationships -- woven from bits of online information and shared genetic ties -- are transformed into new possibilities for kinship. *Random Families* offers down-to-earth stories from real families to highlight just how truly distinctive these contemporary new forms of family are.

The International Who's who 1911

Delilah Green Doesn't Care Ashley Herring Blake 2022-02-22 A clever and steamy queer romantic comedy about taking chances and accepting love—with all its complications—by debut author Ashley Herring Blake. Delilah Green swore she would never go back to Bright Falls—nothing is there for her but memories of a lonely childhood where she was little more than a burden to her cold and distant stepfamily. Her life is in New York, with her photography career finally gaining steam and her bed never empty. Sure, it's a different woman every night, but that's just fine with her. When Delilah's estranged stepsister, Astrid, pressures her into photographing her wedding with a guilt trip and a five-figure check, Delilah finds herself back in the godforsaken town that she used to call home. She plans to breeze in and out, but then she sees Claire Sutherland, one of Astrid's stuck-up

besties, and decides that maybe there's some fun (and a little retribution) to be had in Bright Falls, after all. Having raised her eleven-year-old daughter mostly on her own while dealing with her unreliable ex and running a bookstore, Claire Sutherland depends upon a life without surprises. And Delilah Green is an unwelcome surprise...at first. Though they've known each other for years, they don't really know each other—so Claire is unsettled when Delilah figures out exactly what buttons to push. When they're forced together during a gauntlet of wedding preparations—including a plot to save Astrid from her horrible fiancé—Claire isn't sure she has the strength to resist Delilah's charms. Even worse, she's starting to think she doesn't want to...
