*To Thrill Again* Lillianna Blake 2016-05-09

Cassie Reed is used to living paycheck to paycheck-or more accurately, she's used to squirreling away portions of the money she makes from the occasional sales of her art pieces. She knows that she's chosen a path that hasn't exactly been easy, but she's an artist. Nothing else seems to come close to bringing her the happiness that creating her art does. She's got street smarts and is slow to trust, so when a strange guy approaches her with a proposal that includes an invitation to stay in a big fancy house across the country in California, Cassie is skeptical to say the least. But the money is hard to pass up, especially after she does a little digging online to see just who this fancy pants Mr. Morgan guy is. Lucas Morgan is about as hardcore of a business man as can be. He's worked tirelessly to build his empire and he doesn't apologize for the luxurious lifestyle that his hard work has afforded him. He's used to buying whatever he likes, no matter the cost. He is also used to women throwing themselves at him, so much so that he rarely meets one that catches his attention. ...that is until he first lays eyes on the quirky and lovely woman painting the mural in his foyer. Now someone has his attention, but will their differences bring them together or tear them apart? \*\*\* The Forty and Free series features women finding themselves and love again. Many of these women will overcome the obstacles, fears and pain brought on by past heartbreak. Others will undergo a shift within themselves as they make room for

unexpected love in their lives. Forty and Free series: Book 1: To Love Again Book 2: To Trust Again Book 3: To Hope Again Book 4: To Try Again Book 5: To Thrill Again Book 6: To Dream Again Book 7: To Feel Again Book 8: To Live Again

**Sammy in Thailand (Single Wide Female Travels, Book 6)** Lillianna Blake 2016-08-23 It felt like something a bit out of the twilight zone at first. And I felt gigantic when I arrived in the land of smiles. Thailand. It was by far the most exotic place we'd been to thus far on the book tour and it stretched me a lot! Let's see-the people, the food, the culture, the beauty, the spirituality-I appreciated it all by the end, but I'm not gonna lie-Thailand tested me. Would I go back again? Absolutely!

Sammy in Japan (Single Wide Female Travels, Book 8) Lillianna Blake 2016-09-04 I can't believe it's the last stop on the book tour and Japan is definitely one of the most exotic places I've been to yet. Sushi, karaoke, cat cafes, ramen soup, bullet trains...there's A LOT to see and do in Tokyo AND the toilets-did I mention the toilets?! I won't ruin THAT surprise for you. P.S. We're also celebrating our first anniversary in Tokyo. I know! Can you believe it's here already? Shhh don't tell Max, but I just might have a little surprise for him. ;)

Baby on Board (Single Wide Female and Family, Book 2) Lillianna Blake 2016-10-28 She's here-our precious little angel. And I couldn't be happier! Okay, I owe you the truth-I know you expect nothing less from me, my friend. My nipples!! Good grief, who knew that feeding this

little being could be so painful! So there's that—and a lack of sleep which certainly is not conducive when it comes to any "private" time for Max and I. Don't even ask me how my next book is coming along! But I don't mean to complain-too much! I love Abby to pieces and I know I'll figure it all out soon.

**If You Could See the Sun** Ann Liang 2022-10-11 "Utterly unique, thought-provoking, and wonderfully written... a thrilling ride that hooked me from start to finish." —Gloria Chao, author of *American Panda* and *Rent a Boyfriend* In this genre-bending, speculative YA debut, a Chinese American girl monetizes her strange new invisibility powers by discovering and selling her wealthy classmates' most scandalous secrets. Alice Sun has always felt invisible at her elite Beijing international boarding school, where she's the only scholarship student among China's most rich and influential teens. But then she starts uncontrollably turning invisible—actually invisible. When her parents drop the news that they can no longer afford her tuition, even with the scholarship, Alice hatches a plan to monetize her strange new power—she'll discover the scandalous secrets her classmates want to know, for a price. But as the tasks escalate from petty scandals to actual crimes, Alice must decide if it's worth losing her conscience—or even her life.

**Drive Your Plow Over the Bones of the Dead** Olga Tokarczuk 2020-08-11 WINNER OF THE NOBEL PRIZE IN LITERATURE "A brilliant literary murder mystery." —Chicago Tribune "Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply

satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

**I Kissed Alice** Anna Birch 2020-07-28 "Rivals-to-lovers, mistaken identity, and slow, slow burn... A loving homage to fandom and queer girls." —Victoria Lee, author of *The Fever King* For fans of Leah on the Offbeat and Laura Dean Keeps Breaking Up with Me, Anna Birch's *I Kissed Alice* is a romantic comedy about enemies, lovers, and everything in between. Rhodes and Iliana couldn't be more different, but that's not why they hate each other. Rhodes, a gifted artist, has always excelled at Alabama's Conservatory of the Arts (until she's hit with a secret bout of creator's block), while Iliana, a transfer student, tries to outshine everyone with her intense, competitive work ethic. Since only one of them can get the coveted Capstone scholarship, the competition between them is fierce. They both escape the pressure on a fanfic site where they are unknowingly collaborating on a webcomic. And despite being worst enemies in real life, their anonymous online identities *I-Kissed-Alice* and *Curious-in-Cheshire* are starting to like each other... a lot. When the truth comes out, will they destroy each other's future? An Imprint Book "The swoony queer romcom of my heart... Pitch-perfect." —Rachel Hawkins, New York Times bestselling author of *Prince Charming* and *Her Royal Highness* *Ex in the City* Lillianna Blake 2018-04-27 From the author of the popular *Single Wide Female* series... It had been a magical summer. Blu Parker had spent the past three months surrounded by a group of women who'd become her best friends. And while away, she'd made some important decisions—decisions about the one man in her life who managed to make her go weak in the knees. That was the part she was trying to forget about it—the reminder that she needed some space, the room to figure out what it was she wanted out of life. But what would life in the Big Apple be like without him? *Ex in the City* is the first book of the two book series, *Many Shades of Blu*, a fun chick lit adventure that will leave you feeling entertained and inspired. If you love the books of Sophie

Kinsella, Helen Fielding and Emily Giffin, you will love the Many Shades of Blu series.

**The Case for Marriage** Linda Waite 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com)

**Sammy in Ireland** (*Single Wide Female Travels, Book 5*) Lillianna Blake 2016-06-14 Rolling green hills, big mugs of dark beer and my love all to myself for an actual get-away in between my book signings. I've wanted to go to Ireland for as

long as I can remember. I'm pretty sure I can learn to drive on the "wrong" side of the street. And that "kissing the Blarney Stone" business? Well, let's just say that I've been practicing my backbends and have never felt more limber. Please join me as I head off to find my pot of gold-or something equally as enchanting.

**The Girlfriend** (*Single Wide Female in Love, Book 2*) Lillianna Blake 2015-09-08 Psst. I did it y'all. I, Sammy Bradford, have a boyfriend. Well, you can imagine how elated I'm feeling-I mean, come on...it's been a long road to get here. I'm ever the optimist but even I had my doubts for a minute there. Now if I can only get him to put a ring on it...

**Sammy in Bali** (*Single Wide Female Travels, Book 7*) Lillianna Blake 2016-08-23 Bali... Every picture I've ever seen of Bali-whether beautiful rice fields or smiling people-caused me to feel a certain spiritual connection to this place that seemed magical to me. I've been excited about this leg of the book tour, not only to meet my fans here, but also to get back on my own path of wellness and health. I guess Max has his own ideas about adding a few things to my bucket list these days-things he's determined we experience together in Bali-things I'm not at all sure I'm exactly up for. But you know me! Of course, I'll give it a good try! Spiritual enlightenment here I come...

**If We Were Villains** M. L. Rio 2017-04-11 "Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments." —Cynthia D'Aprix Sweeney, *New York Times* bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —*New York Times* Book Review On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured

rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. If *We Were Villains* was named one of *Bustle's* Best Thriller Novels of the Year, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

**The Fiancée (Single Wide Female in Love, Book 3)** Lillianna Blake 2015-09-08 My wedding day! Can you believe it's actually happening? I know, me either. I'm only slightly nervous that my fiancée might decide that I'm a bit more neurotic than he originally thought, but who can keep their cool at a time like this? Nothing's ready, my weight has ballooned up just a bit-no, more than a bit-and I'm petrified that I'm going to look like a giant marshmallow walking down the aisle in my dress. Deep breaths, Sammy. (Yes, I'm still talking to myself.) P.S. Your invitation is in the mail, I swear!

**Until the End** Christopher Pike 2011-08-30 When a student dies at a party held at the start of the high school year, a group of students are convinced it was more than a mysterious suicide, and their investigation leads them into danger. *Christmas Down Under (Single Wide Female)* Lillianna Blake 2016-12-10 We had our share of Christmas invites, to be sure. But after last year's travel between hubby's parents and my own relatives, we threw in the towel this year. A vacation away - that's what we needed! It only took a little convincing for me to decide that Australia would be a good first international trip to attempt as a family. And with Abby's current obsession with koala bears, I'm sure it will be a hit.

**The Woman at the Front** Lecia Cornwall 2021-09-28 A daring young woman risks everything to pursue a career as a doctor on the front lines in France during World War I, and learns the true meaning of hope, love, and resilience in the darkest of times. When Eleanor Atherton graduates from medical school near the top of her class in 1917, she dreams of going overseas to help the wounded, but her ambition is thwarted at every turn. Eleanor's parents

insist she must give up medicine, marry a respectable man, and assume her proper place. While women might serve as ambulance drivers or nurses at the front, they cannot be physicians—that work is too dangerous and frightening. Nevertheless, Eleanor is determined to make more of a contribution than sitting at home knitting for the troops. When an unexpected twist of fate sends Eleanor to the battlefields of France as the private doctor of a British peer, she seizes the opportunity for what it is—the chance to finally prove herself. But there's a war on, and a casualty clearing station close to the front lines is an unforgiving place. Facing skeptical commanders who question her skills, scores of wounded men needing care, underhanded efforts by her family to bring her back home, and a blossoming romance, Eleanor must decide if she's brave enough to break the rules, face her darkest fears, and take the chance to win the career—and the love—she's always wanted.

*Common Grounds (Alex in Onerland, Book 1)* Lillianna Blake 2016-12-08 From the author of the popular, *Single Wide Female* series... 199 pounds! Any 200+ lb woman on a weight loss mission, will tell you about the magic that happens when she steps on the scale and sees those magic numbers for the first time. *Onerland!* I'm not alone in this, right? I mean, I felt pretty amazing when I stepped on the scale and saw that number the other day. Somehow in the midst of a divorce, starting my own business, celebrating a big birthday and too many other things to mention, I've managed to continually work on my weight loss while tackling a few other pretty huge milestones. And on that note... I'd like to invite you to the grand opening of my new cafe, *Common Grounds*. My friend and mentor, Samantha Bradford, will be speaking and I'd love to fill the place up with woman who'd like to support one another and be inspired.

**Sammy in Italy (Single Wide Female Travels, Book 2)** Lillianna Blake 2016-01-23 Pasta, gondolas, yummy gelato around every corner-I can't believe that Max and I are headed to Italy! And I know it's a crazy thought to imagine me on the runway, especially amidst all of the beautiful Italian models. I didn't want to agree to it, you know that I didn't but... Yeah,

I'm sure everything will turn out just fine!;) *Marriage Can Be Mischief* Amanda Flower 2021-11-30 Millie Fisher may be widowed, but she leads a full life in her Amish hometown of Harvest, Ohio. There's her quilting circle, her Boer goats, her gift for matchmaking—and the occasional murder . . . Millie is happy that her childhood friend, Uriah Schrock, has returned to Harvest after decades away. He was sweet on Millie in their school days, but she only had eyes for her future husband. Now, there's a new spark between them, so Millie is concerned when Uriah doesn't show up at the Harvest concert series—or for his job as the Village square's groundskeeper. Perhaps Millie has been involved in too many murder investigations, but she has a sinking feeling. And when she and her best friend, Lois, find Uriah with the police, it seems she's right . . . A film crew is in Harvest to make a movie about a forty-year-old unsolved murder. A skeleton has been found at the bottom of a ravine—and Uriah is certain it's his sister, Galilee. Right before Uriah left Ohio, she disappeared, and her harsh husband, Samuel, was found fatally stabbed with a knitting needle. The sheriff declared that Galilee killed him and ran away. Uriah never believed the theory, and he's come back to Harvest hoping, Gott willing, Millie will help him stitch together the truth . . . Praise for Amanda Flower and her Amish cozies “As it turns out, Amanda Flower may have just written the first Amish rom com.” —USA Today “At turns playful and engaging . . . a satisfyingly complex cozy.” —Library Journal

*Sammy in Holland (Single Wide Female Travels, Book 3)* Lillianna Blake 2016-05-09 Erik, my contact in Amsterdam, is just a little too relaxed in my opinion. But I swear, I'm really trying to be less uptight. And suddenly Max seems to have this odd aversion to riding a bike! What's that about? So everything is very chilled out here and I may or may not go off my food plan to partake in some brownies. I mean, who am I to turn down a bit of chocolate, right? (wink, wink) You know me so well.

**Sammy in France (Single Wide Female Travels, Book 1)** Lillianna Blake 2015-11-23 Well our honeymoon had to end, but not the excitement that is our life now... Max and me, together on the adventure of a lifetime. I can't

believe it! Dreams really do come true. Apparently I really can have my cake-or more accurately, crepes, these days-and eat it too.It's happening...I'm married to the man of my dreams and I'm on a world book tour to meet my readers. I'm only slightly nervous about the book signings and maybe a tinge moreso about those topless beaches I've heard about in France. But you know me! I'm sure it will all work out...well, mostly sure. ;)

**Good and Cheap** Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

**Becoming Zara** Lillianna Blake 2015-06-18 FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of

Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. \*\*\* Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

Totally Pawstruck Sofie Ryan 2022-02-01  
Secondhand store owner Sarah Grayson and her inquisitive rescue cat, Elvis, will need to close the book on a killer in the newest installment of this charming New York Times bestselling series. Although Sarah Grayson is often tending to the contained chaos of her delightful secondhand store in North Harbor, Maine, plus dealing with the quirky personality of her rescue cat, Elvis, she still takes an occasional night off. But her evening out comes to an abrupt end when Sarah discovers Stella Hall, a member of the library board, standing over a body in the street. Although Stella admits that she and the victim had fought about several things including library funding, she is adamant that she is innocent and the real killer is on the loose. Sarah is eager to help, but even with the assistance of Charlotte's Angels, the senior

citizen detectives who rent out part of her shop, there is still a vast amount of circumstantial evidence linking Stella to the crime. The odds may be stacked against them, but Sarah and Elvis, along with the Angels, will work hard to check out the suspects and catch a killer.

**The Date (Single Wide Female in Love, Book 1)** Lillianna Blake 2015-08-21 I'm putting all of my cards on the table with Blue. And yes, I do realize that I can't seem to stop these irrational (and slightly impure!) thoughts about Max-Max, my best friend. And I know it's a risk. You're right! And I'll probably never make a move but I so wish that I could get just one kiss from those lips...maybe that would stop the madness once and for all. Anyway, that's not likely so...

Regardless, I'm gonna meet THE one. If Blue never shows up, I'm on a mission to find my Mr. Right and this time I won't stop until I do. Cross your fingers and say a prayer for me, okay?

**Rachel in Love** Pat Murphy 2013-01-09 Winner of the 1987 Nebula Award! Rachel has the mind of a teenage girl, but the body and the innocent heart of a young chimp. Sometimes when she looks at her gnarled brown fingers, they seem alien, wrong, out of place. She remembers having small, pale, delicate hands with painted fingernails. Memories lie upon memories, layers upon layers, like the sedimentary rocks of the desert buttes. Aaron Jacobs, the man Rachel calls father, was a neurologist who discovered how to capture the electrical pattern of a living brain's thoughts and memories. When his daughter died unexpectedly, the grieving father imposed the electrical pattern of the girl's brain on a young chimp, creating Rachel, a chimp he recognizes as his daughter. Rachel knows that she is a real girl - but when Aaron Jacobs dies, she must make her way in a world that treats her as nothing but an animal.

Hanna the Bride Lillianna Blake 2017-07 From the author of the popular, Single Wide Female series... Hanna has every reason to be the happiest woman alive. She never in a million years thought she'd be the girlfriend of that guy-that gorgeous lovely hunk of a man in the dreams of every girl. She's always been just a little too curvy and a little too insecure to allow that dream to enter her head for long. But now it's actually happened for her and she has a sparkly diamond ring on her finger to prove it.

With roughly six months to go before the wedding and her best friends-her bride tribe-along to support her, Hanna is determined to be the picture perfect bride. The Bride Tribe: Book 1: Hanna the Bride Book 2: Something Blue Book 3: Something New Book 4: Something Old Book 5: Something Borrowed Book 6: Here Comes the Bride

*The Wife (Single Wide Female in Love, Book 4)*  
Lillianna Blake 2015-09-09 I'm still in a daze...a lovely, blissful, post-wedding stupor of love. And I don't want my honeymoon to end-ever. My husband? He planned the most perfect excursions while we've been away, and I've hardly gotten hurt in the process...well, not much anyway. I'm a wife now! Can you believe it?

**Malevolent** Jana DeLeon 2015-07-04 From New York Times bestselling author Jana DeLeon, the first in a new thriller series. Everyone wondered about Shaye Archer's past. Including Shaye. Shaye Archer's life effectively began the night police found her in an alley, beaten and abused and with no memory of the previous fifteen years, not even her name. Nine years later, she's a licensed private investigator, with a single goal—to get answers for her clients when there aren't supposed to be any. And maybe someday, answers for herself. Emma Frederick thought her nightmare was over when she killed her abusive husband, but someone is stalking her and tormenting her with mementos from her past. With no evidence to support her claims, the

police dismiss her claims as post-traumatic stress, but Shaye is convinced that someone is deliberately terrorizing Emma...playing a cat and mouse game with only one goal in mind. To kill Emma. **MALEVOLENT** is the first book in a new psychological thriller series by bestselling author Jana DeLeon. The series features a young female private investigator and will appeal to fans of T.R. Ragan and Anne Frasier.

**Toddler in Tow** Lillianna Blake 2016-11-15  
We're getting pretty good at this parenting thing. Well, we made it through the terrible twos anyway. And Abby is mostly a complete joy. She's free-spirited, opinionated and not afraid of much-traits that both impress and terrify me at times. She's mostly doing okay in preschool. Well, I wish her teachers understood her as well as I do. Yeah, maybe we need a little break from preschool after all. We're going to try just a small family book tour altogether. I'm sure it will be one big family adventure! Okay, I'm reasonably sure it will all work out just fine because what could possibly be so difficult about traveling with a toddler, right?

To Live Again Lillianna Blake 2016-08-19 Hope Taylor had almost forgotten about her childhood dream to live on a ranch one day. Like many, her life had become about climbing the corporate ladder and getting ahead financially. That is, until she found herself faced with the dreaded C word. Cancer. It and her healing had challenged her ideas about everything she thought she needed to be happy. It's what led her to make the move from the big city to quiet country life where she'd meet a horse and a man that would cause her heart to be made wide open to every possibility. Chase Andrews loved his simple life in the country where going to work every day meant caring for the animals that he'd loved all his life. Being a veterinarian meant everything to him. He had a knack for dealing with both the animals and the humble people that he helped. He'd had some rough patches when it came to love-enough so that he wasn't looking for romance any time soon. At least that's what he'd told himself-until Hope came into his life. This intriguing woman from the city seemed to have an intuitive healing touch with a sick horse named Toby and an even stronger healing effect on his heart. \*\*\* The Forty and Free series features women finding themselves and love

again. Many of these women will overcome the obstacles, fears and pain brought on by past heartbreak. Others will undergo a shift within themselves as they make room for unexpected love in their lives. Forty and Free series: Book 1: To Love Again Book 2: To Trust Again Book 3: To Hope Again Book 4: To Try Again Book 5: To Thrill Again Book 6: To Dream Again Book 7: To Feel Again Book 8: To Live Again

**The Rockstar's Girlfriend (B. I. G. Girls Club, Book 1)**

Lillianna Blake 2015-07-16 Hi, I'm Nicole. I met Zara-she's my life coach-a few months ago when I became one of the first members of the B.I.G. Girls Club. I hadn't even realized the bad space I was in until she showed me that there was another way to be living my life now-regardless of what the numbers on the scale tell me. And isn't it crazy how much those numbers can effect our mood? Now, I'm fully onboard and determined to change my life, regardless of what Joe-he's my boyfriend-says. He'll either support the changes I'm making...or not. Zara's promised to help me through that regardless of the outcome. (Okay, so I'll admit...the idea of losing Joe terrifies me more than a little, but I've got to be honest with myself.) For now, I'm committed to being better and stronger every day-like all the members of the B.I.G Girls Club, I'm committed to being Bold, Inspired and Genuine with myself and with you. And for what I'm about to attempt, I can use more cheerleaders around me. Us girls need to stick together! \*\*\* FUN FACT: "The Rockstar's Girlfriend" is a book written by fictional character, Samantha Bradford, of the "Single Wide Female: The Bucket List" series. Note: You can download #1 Learn Pole Dancing of that series for free.

**Obsidian** Jennifer L. Armentrout 2012-05-08 Discover the New York Times bestselling series from Jennifer L. Armentrout. Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand,

well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. Read the entire bestselling series! #1: Obsidian (from Katy's point of view) #2: Onyx (from Katy's point of view) #3: Opal (from Katy's point of view) #4: Origin #5: Opposition Oblivion (Books 1-3 from Daemon's point of view) CAN BE READ FIRST OR AFTER KATY'S POV! Prequel: Shadows (Dawson's story)

**Forty & Fabulous** Lillianna Blake 2016-12-24 40! The big one! I really hope that I can pull myself together enough to enjoy a little getaway with friends.And why not? I've been learning so much about myself as a newly single woman-as a business owner with drives and ambitions. I am woman, hear me roar, right? I'm pretty sure I'm going to handle turning 40 with ease. Please consider yourself invited to the party. Alex in Onederland: Book 1: Common Grounds Book 2: The D Word Book 3: Forty & Fabulous Book 4: Empty Nest Book 5: On the Run Book 6: Ready for Love

**Kiss of Frost** Jennifer Estep 2011-05-26 A high school warrior-in-training gets lessons in surviving a mysterious assassin in the New York Times bestselling author's YA urban fantasy novel. I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart—the drop-dead gorgeous Spartan Logan Quinn who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. Now, with Logan's help, I'll have to learn to live by the sword—or die trying.

**Sammy in England (Single Wide Female Travels, Book 4)** Lillianna Blake 2016-05-08 Judgmental much? It would seem that things with my London contact, Poppy, are off to a bit of a rocky start to say the least. But considering everything that had happened to me in

Amsterdam, I can hardly hold it against her. Prim and proper Poppy has the wrong impression of me and I'm pretty determined to change her mind-that is, if I can stop thinking about Max off somewhere with his first crush, who happens to be-you know-gorgeous or something. Nevermind. Deep breath. I've got books to sign and readers to meet, so off I go. Cheerio!

**Once Bitten, Twice Shy** Jennifer Rardin  
2007-10-08 I'm Jaz Parks. My boss is Vayl, born in Romania in 1744. Died there too, at the hand of his vampire wife, Liliana. But that's ancient history. For the moment Vayl works for the C.I.A. doing what he does best -- assassination. And I help. You could say I'm an Assistant Assassin. But then I'd have to kick your ass. Our current assignment seemed easy. Get close to a Miami plastic surgeon named Assan, a charmer with ties to terrorism that run deeper than a buried body. Find out what he's meeting with that can help him and his comrades bring America to her knees. And then close his beady little eyes forever. Why is it that nothing's ever as easy as it seems?

**Eating for Two (Single Wide Female & Family, Book 1)** Lillianna Blake 2016-10-14 I just want to keep one breakfast down. Is that too much to ask? I so want to be over-the-moon about this pregnancy-I mean, it is a gift, a precious gift that I'm nurturing inside me, right? I know this-I do. But most often I feel as if an alien life force has taken over my body-and not to mention my tongue-which I try to hold, but poor Max...poor, poor Max, the love of my life and wonderful father-to-be. He could not annoy me more lately! Sigh. I'll work it out though. You know I will. Contrary to everything I just said, I am incredibly excited - girl or boy, which is our bundle of joy? We're in for the adventure of our lives and I couldn't be more happy!
