The Viper's Son Sandy Cohen
2010-11-24 In the closing days
of World War II, the Nazi high
command has trained for a
secret mission of sabotage
along the eastern shores of
Florida by burying explosives
on the beaches to prepare for
the inevitable defeat of the

Reich and their ultimate revenge. Combined with modern international land fraud and betrayal of the most sacred trusts of all, and the fuse is lit.

Saints, Sinners, and Soldiers

Jeffrey A. Keshen 2013-12-01
The first-ever synthesis of both the patriotic and the problematic in wartime Canada, Saints, Sinners, and Soldiers shows how moral and social changes, and the fears they generated, precipitated numerous, and often contradictory, legacies in law and society. From labour conflicts, to the black market, to prostitution, and beyond, Keshen acknowledges the underbelly of Canada's Second World War, and demonstrates that the "Good War" was a complex tapestry of social forces ♦ not all of which were above reproach.

The End of It Mitchell Goodman 2018-11-13 "a horrifyingly vivid account of an American artillery battalion's advance through northern Italy in World War II" Robert Mcg. Thomas Jr., *The New York Times* Gil Freeman was a normal, young, American man before the events of Pearl Harbor. His life was forever changed when the United States was thrust into the most bloody conflict of the twentieth century. Posted with the American Fifth Army to fight against the forces of Fascist Europe in Italy he quickly grows disillusioned with the realities of modern warfare. When he and his fellow soldiers land in Italy they view the inhabitants of this land as little more than enemies, but in time

they "began to speak of the villagers not as guineas or wops but as these people." He entered the war with hope of experiencing brotherhood and excitement, but instead it loss, tragedy and heartbreak that are the emotions that fill Freeman as he moves through Italy. Will Freeman overcome these feelings? Or will the toll of the war prove too much for the young man? And how will he ever be able to return to normality after everything that he has seen? Mitchell Goodman's novel *The End of It* is an arresting depiction of one man's battle through the course of the Second World War. *The End of It* received widespread praise including from prominent literary figures, such as William Carlos Williams and Norman Mailer. "Goodman's style is powerful, sensitive, and incisive. This is an exciting and provocative addition to contemporary, avant garde American literature" Kirkus Reviews "an effective and poetic antiwar treatise" Professor Sandy Cohen Mitchell Goodman was

an American writer, teacher, and activist. He was at college when the U.S.A. entered the Second World War. He was trained as a Second Lieutenant forward observer in an artillery battalion, but was not deployed overseas. He traveled to Europe following the war and used many of these experiences to shape his novel. *The End of It* was first published in 1961. Later in his life he became famous for his role in the Vietnam draft resistance movement, which drew the high-profile 1968 federal prosecution of the "Boston Five." He passed away in 1997.

The Enduring Vision of Norman Mailer Barry H. Leeds 2018-02-21 Cultural Writing. THE ENDURING VISION OF NORMAN MAILER is Professor Barry H. Leeds' second book about one of America's most respected, most controversial, and most prolific authors. It looks at Mailer from where Leeds' first volume left off and takes him on through his most recent works. "Leeds' ideas are engaging, his enthusiasm infectious, and his prose mercifully free of critical jargon. Recommended for contemporary literature collections"--William Gargan in *Library Journal*. This is literary criticism with a heart and soul,
