[How to Be Alone](#) Tanya Davis 2013-10-22 Since its debut on YouTube, Tanya Davis's beautiful and perceptive poem "How to Be Alone," visually realized by artist and filmmaker Andrea Dorfman, has become an international sensation. In this edition of *How to Be Alone*, they have adapted the poem and its compelling illustrations for the page in a beautiful,

meditative volume—a keepsake to treasure and to share. From a solitary walk in the woods to sitting unaccompanied on a city park bench to eating a meal and even dancing alone, *How to Be Alone*, reveals the possibilities and joys waiting to be discovered when we engage in activities on our own. As she soothes the disquietude that accompanies the fear of aloneness, and celebrates the power of solitude to change how we see ourselves and the world, Tanya reveals how, removed from the noise and distractions of other lives, we can find acceptance and grace within. For those who have never been by themselves or those who embrace being on their own, *How to Be Alone* encourages us to recognize and embrace the possibilities of being alone—and reminds us of a universe of joy, peace, and discovery waiting to unfold.

Lincoln's Melancholy Joshua Wolf Shenk

2006-10-02 A nuanced psychological portrait of Abraham Lincoln that finds his legendary political strengths rooted in his most personal struggles. Giving shape to the deep depression that pervaded Lincoln's adult life, Joshua Wolf Shenk's *Lincoln's Melancholy* reveals how this illness influenced both the President's character and his leadership. Mired in personal suffering as a young man, Lincoln forged a hard path toward mental health. Shenk draws on seven years of research from historical record, interviews with Lincoln scholars, and contemporary research on depression to understand the nature of Lincoln's unhappiness. In the process, Shenk discovers that the President's coping strategies—among them, a

rich sense of humor and a tendency toward quiet reflection—ultimately helped him to lead the nation through its greatest turmoil. A New York Times Book Review Editors' Choice SELECTED AS A BEST BOOK OF THE YEAR: Washington Post Book World, Atlanta Journal-Constitution, St. Louis Post-Dispatch, Pittsburgh Post-Gazette As Featured on the History Channel documentary Lincoln "Fresh, fascinating, provocative."—Sanford D. Horwitt, San Francisco Chronicle "Some extremely beautiful prose and fine political rhetoric and leaves one feeling close to Lincoln, a considerable accomplishment."—Andrew Solomon, New York Magazine "A profoundly human and psychologically important examination of the melancholy that so pervaded Lincoln's life."—Kay Redfield Jamison, Ph.D., author of *An Unquiet Mind*

The Fashionable Adventures of Joshua Craig David Graham Phillips 2022-06-03 This is a well-written novel with many disputes, and settlements between private capital and the public purse, with somewhat insensitive characters. The story gives unpleasant insights into Washington D.C. and New York and stays true to its setting throughout. *The Fashionable Adventures of Joshua Craig* is one of the finest works of American novelist and journalist David Graham Phillips. Phillips is known for including all he has seen in his works, from lower to higher levels of society and different walks of life. Following the life of Joshua Craig, he goes from loving women to fighting men to being a gentleman.

Drawn to learn more, Shard risks the future he

wants by making allies of creatures most gryfons call enemies, and learning ancient skills forbidden by the conquering kings. Sin Sick Joshua Pederson 2021-06-15 In *Sin Sick*, Joshua Pederson draws on the latest research about identifying and treating the pain of perpetration to advance and deploy a literary theory of moral injury that addresses fictional representations of the mental anguish of those who have injured or killed others. Pederson's work foregrounds moral injury, a recent psychological concept distinct from trauma that is used to describe the psychic wounds suffered by those who breach their own deeply held ethical principles. Complementing writings on trauma theory that posit the textual manifestation of trauma as absence, *Sin Sick* draws argues that moral injury appears in literature in a variety of forms of excess. Pederson closely reads works by Dostoevsky (*Crime and Punishment*), Camus (*The Fall*), and veterans of the wars in Iraq and Afghanistan

(Brian Turner's *Here, Bullet*; Kevin Powers' *The Yellow Birds*; Phil Klay's *Redeployment*; and Roy Scranton's *War Porn*), contending that recognizing and understanding the suffering of perpetrators, without condoning their crimes, enriches the experience of reading—and of being human.

Hauntological Dramaturgy Glenn D'Cruz 2022-03-03 This book is about some of the ways we remember the dead through performance. It examines the dramaturgical techniques and strategies that enable artists to respond to the imperative: 'Remember Me' - the command King

Hamlet's ghost gives to his son in Shakespeare's famous tragedy, Hamlet. The book develops the concept of hauntological dramaturgy by engaging with a series of performances that commemorate, celebrate, investigate, and sometimes seek justice for the dead. It draws on three interrelated discourses on haunting: Derrida's hauntology with its ethical exhortation to be with ghosts and listen to ghosts; Abraham and Torok's psychoanalytic account of the role spectres play in the transmission of intergenerational trauma; and, finally, Mark Fisher's and Simon Reynolds' development of Derrida's ideas within the field of popular culture. Taken together, these writers, in different ways, suggest strategies for reading and creating performances concerned with questions of commemoration. Case studies focus on a set of known and unknown figures, including Ian Charleson, Spalding Gray and David Bowie. This study will be of great interest to students, scholars and practitioners working

within theatre and performance studies as well as philosophy and cultural studies.

Then We Came to the End Joshua Ferris 2007-03-01 The National Book Award finalist and debut novel by the bestselling author of *The Dinner Party*: "A readymade classic of the office-novel genre. . . . A truly affecting novel about work, trust, love, and loneliness." --Seattle Times No one knows us quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts. Every office is a family of sorts, and the ad agency Joshua Ferris brilliantly

depicts in his debut novel is family at its strangest and best, coping with a business downturn in the time-honored way: through gossip, pranks, and increasingly frequent coffee breaks. With a demon's eye for the details that make life worth noticing, Joshua Ferris tells a true and funny story about survival in life's strangest environment--the one we pretend is normal five days a week.

Alone in Plain Sight Ben Higgins 2021-02-02 Are you tired of people knowing who you are but no one really knowing you? As the star of the twentieth season of *The Bachelor*, Ben Higgins looked like he had it all together. Instead, Ben

felt dissatisfied, fearful, and deeply alone. Like so many of us, he thought of himself as the kid who never got picked for the game, the person always on the outside of the joke, the friend who knew a lot of people but was never truly known. He wondered if he mattered at all. In *Alone in Plain Sight*, Ben vulnerably shares how he found authentic connection with himself, with others, and with God. As Ben helps us name our own yearning for meaning, he explores ways to understand ourselves more deeply so that we are free to connect with others; how shared pain can bridge even the widest gaps between two very different people; why we must deconstruct our culture's fairy-tale view of love; and how the God who longs for relationship with us is the answer to our need for connection. As Ben discovered, in a disconnected world, it is still possible to have lasting purpose and peace. You are already known. You are already loved. You are already seen. Discover how to live out how much you matter as you embrace the true

meaning of your one incredible life.

Four New Messages Joshua Cohen 2012-08-07
A quartet of audacious fictions that capture the pathos and absurdity of life in the age of the internet *A New York Times Book Review Editors' Choice* * One of Flavorwire's "50 Books That Define the Past Five Years in Literature" A spectacularly talented young writer has returned from the present with *Four New Messages*, urgent and visionary dispatches that seek to save art, sex, and even alienation from corporatism and technology run rampant. In "Emission," a hapless drug dealer in Princeton is humiliated when a cruel co-ed exposes him exposing himself on a blog gone viral. "McDonald's" tells of a frustrated pharmaceutical copywriter whose imaginative flights fail to bring solace because of a certain word he cannot put down on paper. In "The College Borough" a father visiting NYU with his daughter remembers a former writing teacher, a

New Yorker exiled to the Midwest who refuses to read his students' stories, asking them instead to build a replica of the Flatiron Building. "Sent" begins mythically in the woods of Russia, but in a few virtuosic pages plunges into the present, where an aspiring journalist finds himself in a village that shelters all the women who've starred in all the internet porn he's ever enjoyed. Highbrow and low-down, these four intensely felt stories explain what happens when the virtual begins to colonize the real -- they harness the torrential power and verbal dexterity that have established Cohen as one of America's most brilliant younger writers.

Songs of the Fluteplayer Sharman Apt Russell 2022-12-06 Filled with “honest” writing and “wise” observations, “Russell’s well-written essays describe her life as an urban immigrant to the rural Southwest” (Library Journal). In 1981, newlywed Sharman Apt Russell moved with her husband to an agricultural valley in southwestern New Mexico, hoping to create a simpler life. From building their adobe house to the home-birth of their firstborn to growing their own food and navigating the seasonal flooding of the Mimbres River, these luminous essays chart Sharman’s journey toward self-sufficiency in a land as mythical and remote as the image of the prehistoric fluteplayer found on the pottery in trading posts throughout the Southwest. Replete with wisdom and a reverence for the Native American people whose relics Sharman discovers everywhere on the land around her,

this award-winning memoir pays tribute to the power and grace of nature, our deep connection to our prehistoric past, and the beauty of living in communion with the land. “A fine contribution to the literature of the modern American Southwest . . . [Russell] achieves just the right mix of fact and metaphor, humor and poetics.” —Booklist “These essays say much about the difficulty of maintaining an alternate lifestyle.” —Publishers Weekly “A lovely little book. To be kept and read and read again.” —Tony Hillerman, bestselling author
